

JUNE 1984

WELCOME TO RICK BATESON'S Vice-President's Day.

Rick, our efficacious second-in-command, has been keeping the Committee on their toes during the year with his innovative ideas. He arranged the weather for this round and will present his V.P. trophy after the game - if he can escape from his "office". The President has granted him 4 months leave from the Club to help him tame his business commitments.

FATHER AND SON DAY has come around again. Its the one time of the year when Lizards get matey with their sons or sons-in-law, in quest of a golf prize. Toby Webb has been known to play with his robust grand-son. If Rick makes it to Avalon he might play a couple of holes with John - that would be a twist.

PRESIDENT'S DAY produced the following results:

LIZARDS	1st	Nev Meredith	39 off 36
	2nd	Marty Plim	38 off 16
		On a count back from Toby Webb.	
VISITORS	1st	Peter Callaghan	43 off 27
		Doug Duncan	40 off 23

PRESIDENT'S TROPHY Harry Warner 24 on secret nine

PUTTING Doug Duncan 29 putts
On a count back from Marty Plim

NEAREST THE PIN 3rd Steve Rhodes
8th Dave Gilchrist
18th Mark MacMillan
SECOND SHOT ON 14th Marty Plim

BRADMAN Michael O'Kane 15 off 36

MARTY PLIM, flat out to make a reasonable impression on his Presidential Day, went close to scooping every prize including the raffle. He was resplendent in his Old Course St. Andrews sweater which seemed harmoniously at war with his blue and white banded sox.

CHRIS WRIGHT was not so fortunate. Since plaiting his ribs, shoulder and interconnecting parts whilst falling through Vern Petersen's dry docked boat he has had difficulty taking a ball out of the box let alone belting a 6 foot putt. He managed to win the raffle for the second time in 3 draws.

LEN Le MON was fined for warming his thongs on the hot plate.

NIFTY suffered the same penalty for uttering an unseemly word when he sank a 40 foot putt.

DOUG DUNCAN, up from Adelaide for a few days, took a couple of Lizard trophies home. One was a bottle of South Australian wine.

BEVERLY HENNESSY, everloving wife and mentor of our Secretary/Treasurer caused Paul to miss the Committee meeting last Monday night by breaking her leg - in the lounge room. Beverly is on the way to recovery. Paul is still suffering from the "Can't believe it " syndrome.

PAUL HENNESSY returned his Lizard trophy last month for engraving and reissue to this years winner. The trophy he was holding was the Paddle. The prize for Chief Stirrer, donated by Sandy Armstrong and Des McGuire way back in 1965. Paul has the unique distinction of being the only Lizard to win it twice - in 1973 and 1983. The last ½ dozen holders in the same era were:

Billy T	Bill Epps
Keith Halliwell	Don Goozee
Roger Ehret	Denis Cooper

It is the only trophy the Captain Handicapper does not meddle with - it is the President's choice and is presented, with due ceremony, at the AGM.

TONY PERRIMAN, a recurrent visitor of late, was called on last month to respond on behalf of the visitors. Somewhere during his polite oration he must have made some sort of balls-up and was promptly fined. Not wanting to put his Diners Card in the tin he borrowed the stake from a bemused listener in the front row. He's cool.

THE BIG RAFFLE is due to be drawn today. Should you see a couple of hard workers folding the butts and have a few minutes to spare, give them a hand. If any of the members win the first couple of prizes we won't have to look far for a free drink.

THE LINDENBERG FINAL will be played today. Nev Meredith, Lizards winner last month and current leader in the Club Championship, will be playing Noel Corley. Nifty will lose 2 strokes before the hit off.

THE CHAMPIONSHIP POINT SCORE stands at:

Nev Meredith	68	Bill Sheehan	58
Noel Corley	61	Harry Warner	58
Catch	60	Dave Gilchrist	57

COUNTRY MEMBERSHIP: Phil Saillard, Ray Hilton and Mal Waters are all on the wounded list and have requested Country Membership. We hope its not too long before they can get back into full swing and enjoy the monthly outing.

NEAREST THE PIN HOLES are 9th, 13th, 17th and second shot on the 2nd.

Good Golfing.....

Editor.
