# FLAT OUT LIKE

SEPTEMBER 1984

WELCOME to the MALM-TOWNSEND Printers' Day.

It's to be hoped the ebullient printer's devil, Billy T., will grace the Course today and remembers to bring the donors ink. Roy Malm and Bill Townsend are Club Presidents of the past and we enjoy their generosity, whether it comes in bold or bottle type.

The Le MON-SAILLARD Day produced the following results:

## MANLY VALE SOCCER CLUB v's LIZARDS

The Soccer players netted another victory with 333 points to 324.

TONY PERRIMAN and MICHAEL O'KANE were given the members blessing, from the fence, last month and are revelling in the joys of membership. Both have been constant prize winners; Tony has been specialising in Visitor's seconds and nearest the pins while Michael has won the raffle and Bradman in rapid succession. We all wish them a long, happy and hard working association with the Club.

CHEF-CATERERS John Copeman and Steve Rhodes were granted leave last month to contest the A grade baseball finals. The other mob, Gordon, won 8 to 5. Undaunted, they will be back over the plate this month - cooking our steak and onions.

CHRIS CARTWRIGHT, the A grader's baseball coach and Lizard visitor, soothed his shattered nerves by winning the Australian "B" Grade Golf Championship for Left-Handers played over 72 holes at Oatlands and Pennant Hills. He took the lead from the hit-off with a 38 off the stick for the 1st nine at Oatlands. In the absence of the Captain-Handicapper today a copy of this report will be posted to his home address.

MUDDY WATERS is at home and pumping on all ventricles following his by-pass operation at St. Vincents. At his current rate of progress he will have to have his knees fixed to keep up with himself.

NEAREST THE PIN winners will be pleased to hear that Lizards glasses are back in stock and ready for issue.

LIZARDS T SHIRTS are on display in the haberdashery section of the shed - see the Treasurer, Paul Hennessy.

PAUL HENNESSY will be in another section of the shed taking our annual subs. of \$10 for Members and \$2 for Country Members. He should also be seated in the Captain's chair near the door issuing the golf cards.

THE CHRISTMAS HAMPER RAFFLE BOOKS have been printed, the distribution to Members and interested Visitors starts today. See Paul Hennessy in his office on the mezzanine floor of the shed to have your name and book number/s marked off in the register.

LIZARDS LADIES NIGHT is off the drawing board and will be held at the Civic Club on Fri., 2nd November, 1984. Visitors are welcome. Tickets are a nominal \$20 per double, the occasion being largely subsidised by the Club, so start planning your table and make a reservation with Maitre D' Paul Henzy in the Mitchells Bass section of the shed.

JACK GAUDRON lost 3 strokes for his winning effort last month. George Bird and Pat Purcell have picked up 2 strokes each.

NEAREST THE PINS are the 8th, 13th, 17th and second shot on the 2nd.

Good Golfing.....
