

LIZARDS

FLAT OUT LIKE

NOVEMBER, 1984

WELCOME to Lizards and ^{the} chance to wear the mildew from our golf shoes in the long grass.

HENNESSYS' DAY has come around again. Paul Jnr. has progressed from the Cookhouse to the Vice-Presidential suite, while Paul A., still does everything apart from the fiddling items that Bill Sheehan and a few others dickie about with. Its heart warming to see the two Pauls bustling around the Shed - as long as they don't say much.

MANLY UNION (GOLF) CLUB will be out in strength to compete in the Annual vs. Lizards Championship. Extend them a warm welcome and keep a weather eye on the cans on the Course.

CAPTAIN-HANDICAPPERS' and ASSISTANTS' DAY produced the following results:-

LIZARDS	1st	Marty Plim	42 off 16
	2nd	George Bird	39 off 20 on a count back from Billy T.
VISITORS	1st	John Magnusson	41 off 24
	2nd	John Magnusson	41 off 24

CAPTAIN-HANDICAPPER'S and ASSISTANT'S TROPHY Nifty Meredith - Most putts (38) on a count back from Steve Rhodes.

COPEMAN/RHODES DONORS' TROPHY. Andy Warner 4th in Lizards.

NEAREST THE PIN	8th	John Copeman
	13th	George Bird
	18th	Marty Plim
SECOND SHOT ON	1st	George Bird
PUTTING		Marty Plim 27 putts
BRADMAN		Nev Meredith

AIRIES Nev Meredith, sole airie, stood with unified impunity and sang "I am an Airie, I am true blue". He was conducted by Marty Plim.

BILL EPPS was called on to welcome the sole visitor. He asked the poor fellow to stand and be identified - sick. JOHN MAGNUSSON responded.

RICK BATESON'S leave from the Club must be drawing to an end as he tendered an apology for not playing. Hope he makes it out to Avalon today.

TOBY WEBB winner in September and astute meteorologist, stayed at home.

MICHAEL O'KANE missed playing for the first time.

BILL SHEEHAN did not play - good heavens.

FINES. Some of them were -

Jack Gaudron	for laughing at the member he had just slogged with a golf ball.
John Copeman & Steve Rhodes	for having two name badges each on their caps; providing a slimy lettuce and a broken knife to cut it.

FINES (Continued)

Dave Gilchrist	for dobbing in Noel Corley who moved the markers to ensure that Paul Hennessy would be penalized.
Harry Warner & Dave Gilchrist	for marking their own cards because they considered their opponents to be untrustworthy.

NEAREST THE PIN winners, over the past few months, will be pleased to know that Lizard Glasses are still on order. The Company undertaking the mammoth task promises an 'early' delivery. Once in our clutches they will be batched up in 3's, 4's and as many as 5's and issued to the rightful owners.

LADIES NIGHT, 2nd November, went off with a highly successful and expensive bang. The price of a pew for the whole performance did not cover the Seafood Crepes Gratinee and Grilled Rib Eye Fillet of Lamb let alone the Fresh Strawberries and Cream etc. The Breath Analysis irritant, which included 5 bottles of Scotch flowed freely all evening. An additional bottle of the John Walker and Sons product was donated by the Civic Club. Some well meaning scrooge on the Committee raffled it.

CHRIS CORLEY, her countenance glowing in the complacency of early pregnancy drew the raffle on behalf of the embryonic Lizard. They won - Chris plucked their ticket from the hat! The prize was southed - obviously to be shared when the child attains drinking age.

THE PRESIDENT tinkled his glass at a strategic moment, gave a brief history of the evening's event and introduced Paul Hennessy to welcome the ladies. Bette Epps responded on behalf of the charming bevy of pond dwellers.

LEN had made provision for the gala event some 10 or 11 month in advance and overcame the enormity of the metre long ticker tape account with a wave of Le wagic-Mond.

THE CHRISTMAS tournament, 16th December, brings with it;
THE CHARITY HAMPER - donations of quality goods or cash, for selective purchases, may be made today to save the rush next month; and

BRING A PRIZE, WIN A PRIZE - these, gift wrapped, useful little items are placed on an allotted stack - not in the Hamper - and are handed out by Santa at the meeting in the order of members and visitors passing the post. Remind anyone on the day, should they come empty handed, to nip up to Vicki's and buy a couple of golf balls or some underwear. The Secretary-Treasurer will have a supply of wrapping paper and sticky tape. Santa will do the rest.

RUMOUR has it that January will be a three club event. Pay no attention to the Hibernicism about bringing three 1 woods because there are no bunkers on the course.

NEAREST THE PINS are 1st, 4th, 17th and second shot on 14th.
GOOD GOLPING...

EDITOR.
