

DECEMBER 1984

MERRY CHRISTMAS and Good Will to All —
 not just us Lizards and our esteemed visitors.
 Its The Manly Civic Club Day - our unobtrusive ubiquitous benefactor -
 its also "Bring a Prize, Win a Prize" and "Grand Final" day for the
 Charity Christmas Hamper.

THE HAMPER will be drawn, but not before we have time to:
 Shove our donation of goodies into the stocking;
 or
 Slip the Treasurer a few bucks to help pay for
 the more expensive items provided by the Club;
 and
 Buy a few more tickets as well as help the
 "workers" fold the butts.

BRING A PRIZE parcels do not go into the Stocking, place
 them on the Santa heap. Should you have arrived bearing zilch, make
 a quick purchase at Vicki's walk in Emporium. The Secretary/Treas.
 has wrapping paper & tape. Santa will call us up as soon as his
 Pixies have issued him with a list of our good deeds and golfing
 prowess, gauged on our efforts around the course today.

HENNESSYS' DAY produced the following results:

LIZARDS	1st	John Copeman	48 off 22
		Pat Purcell	42 off 40
VISITORS	1st	John Magnusson	43 off 20
HENNESSY TROPHY		Noel Corley	most ones
NEAREST THE PIN	1st	John Copeman	
	4th	Noel Corley	
	17th	John Copeman	
SECOND SHOT	14th	John Copeman	
PUTTING		Noel Corley	26 putts.
BRADMAN		Jack Gaudron	22 off 28

JOHN MAGNUSSON has won the visitors' trophy every time he
 has competed - apart from his first attempt when he played with a
 dislocated shoulder. He scooped the pool the previous month with
 41 off 24. At this rate he will be playing off scratch at the
 June tournament. He is sporting new golf gear this could tend to
 put him off his stroke.

PAUL HENNESSY displays the same consistency as John each
 month by finishing 11th. He too will be playing with the added
 handicap of new golf tools - including ersatz woods made of metal.
 We must have paid for the car and now we are up for the clubs -
 thank heavens he didn't want a swimming pool.

JOHN COPEMAN has lost SIX strokes as a result of his
 gifted performance last month.

NEAREST THE PIN HOLES are 1st, 9th, 17th and second shot
 on the 14th.

FINES: John Copeman was given a refund for having composed
 and uttered a 10 word sentence without using his favourite word. The
 refund changed hands when he asked "Where is a tap to wash this plate"
 and then threw the slop all over the Secty/Treas.

JANUARY will be a 3 club event - for the benefit of the
 Hibernians just bring 4 sticks and break the favoured club before
 hitting off.

Good golfing.....

Editor.
