FLAT OUT LIKE

MARCH 1985

WELCOME to SECRETARY-TREASURER'S DAY and Round 2 of the Lindenberg Knock-Out Competition on this fine day for the 'wearin of the green'.

PAUL HENNESSY, our hard working Secty-Treas., is still spending about 100% of his spare time on Lizard administration and looks as though he's ensconced for another decade. He should be issued with the order of the leather medal.

A sizeable scoop of the favourites are now on the bench - the results from Round 2 are awaited with interest.

FINES - Some of them were:

Andy Warner for having an airie on the 4th green,

Harry Warner for impersonating the President by leaving his wallet at home,

David Gilchrist for leaving his wallet in his car at raffle time - when accompanied by the Croupier to the vehicle, did jump in and drive away; and

John Copeman for throwing clubs and asking his brother-in-law to retrieve the fartherst, writing a rude name on the nearest the pin marker and donating his new car for a hole-in-one prize.

MARK MAC MILLAN, Assist. Handicapper, was thankful for Andy's assistance with the day's results following the departure of Captain David - presumably on baby sitting duties.

THE PRESIDENT has requested that any Handicap-Result Books, which may be in the hands of previous Captain Handicappers, be returned to the Club for record purposes.

RAY HILTON'S father, a Queenslander, died since our last meeting. The President and members wish to express their sincere sympathy.

JACK GAUDRON and CATCH have each lost a stroke for their 40 pointers, Bill Sheehan suffered the same fate for no apparent reason. With 3 strokes up the Handicapper's sleeve he gave one to Steve Rhodes and one to Paul R. Hennessy.

HARDHEADS around the Shed consider that George Bird, Len LeMon, Noel Corley and Andy Warner will be the Lindenberg Semi Finalists in May. We will be on the lookout to see how close their prediction was.

NEAREST THE PINS are 4th, 10th, 17th and second shot on the 2nd.

Good Golfing.....
