

LIZARDS

FLAT OUT LIKE

JULY 1985

WELCOME to our new President MARC MacMILLAN and the dawning of the 40th year of Lizard comradeship. A number of members have not seen as many years, yet one of us will have the unaccounted pleasure of driving the first ball down the fairway on this historic occasion. THE MATCH of the day was the annual clash between the Godfathers' Baseball Club and Lizards. The Godfathers were well on the way to repeating their runaway win in '84 but tired in the home run. The Lizards slid in with the narrow margin of 400 points to 396. Godfathers President Peter Edmunds presented the Trophy to our beaming Len Le Mon. Len announced that the Trophy would be placed on show in the Civic Club and the inscription would be amended, as requested, due to the Godfathers being no longer affiliated with the Manly Amateur Fishermen. He extended an invitation for a rematch next year. At the cessation of all the niceties, the hit section of the Godfathers, with a well aimed salvo of pyrotechnics, blew up John Copeman - possibly as a gesture of friendship to the Lizards at the end of an enjoyable day.

TOBY WEBB, our most senior competitor, in partnership with grandson David took out the Father & Son event. To come in ahead of the Warner Bros., both trophy winners on the day, was no mean feat. Well played Toby and David.

SENIOR COMPETITOR Mk. 2, George Bird, was given a downer for his 67th birthday. Well sunk George.

ANDY WARNER advised the President at the meeting last Monday that the Godfathers had accepted the offer of a rematch and would be out in force next winter, probably in June.

THE MEMBERS and GUEST, Mark Lindenberg, voted the 39th AGM., held in the Civic Club on Friday, 28th June, a top night and was one of the highlights in Len Le Mon's year of Presidency.

PAUL HENNESSY, Ex-President and Committeeman for the past 19 years was given a standing ovation by his fellow members.

MARK MacMILLAN'S inaugural move was to give The Lizard a drink and warn that he would do a serious to anyone relieving him of reptillian relic. The Lizard had other ideas; it went home without him. Mark hasn't seen it since.

LANCE TRY, Member since September 1946, President in '54 and '63, Plant Engineer for 35 years, holder of the Paddle in '76 and Life Member, gave a brief history of Lizards to the assembly and was fined 2 minutes later for buying a round of old beers for his table.
