

LIZARDS

FLAT OUT LIKE

AUGUST, 1985

WELCOME to LE-MON/SAILLARD Day and the last of the winter tournaments this year. It will be off long Johns and on with the colourful Fathers' Day gear next month.

THE EPPS/MEREDITH Day produced the following results;

LIZARDS	1st	Paul Hennessy	37 points off 19 on a count back from
	2nd	Jack Gaudron	37 points off 26

VISITORS	1st	Ken Bond	35 points off 11
----------	-----	----------	------------------

EPPS/MEREDITH Trophy		Andy Warner	33 points off 19 Third in Lizards
----------------------	--	-------------	--------------------------------------

NEAREST THE PIN	1st	Andy Warner
	4th	Marty Plim
	8th	Dave Gilchrist
Second Shot	15th	A. Skinner

PUTTING	Ken Bond	24 putts
---------	----------	----------

BRADMAN	Mo Hines	10 points off 40
---------	----------	------------------

FINES, some of the reasons were:

George Bird	Placing the nearest the pin marker for the 15th on the 14th tee;
-------------	---

Michael O'Kane	Getting married and, as Lizards' Chef, burning the toast for lunch;
----------------	--

Mo Hines	Missing the Immediate Past President with a drive and taking 56 putts for the 16 holes;
----------	---

Pat Purcell	Whilst playing from a sloppy lie did transform Jack Gaudron into a mobile swamp;
-------------	--

Len Le-Mon	Driving an opponent's ball, with his foot; and
------------	---

Rick Bateson	Dressing for golf in the street.
--------------	----------------------------------

ATTENDANCE on the day was 10 short of our break square figure of 30 players and, as a result, the Treasurer is still having the occasional dehydrated nervous-quiet. Lets do ourselves a favour and bring a visitor, or even a wayward member, next month.

CHEF-CATERERS Alan Lewis, Nev Meredith and Michael O'Kane are leaving no tern unstoned in their endeavour to vary the culinary spread. We may have to book a table before Christmas. The stately John Bateson would look well in black tie and tails.

ANDY WARNER, Club Captain, Handicapper and keen collector of Lizard trophies should be flat out to win a couple this year as he will be providing them. One of the conundrus problems facing him is how to keep parity in a Club where the members have handicaps geared for 18 holes and play only 16. You have the answer? Good lad; now hop in the queue and tell him.

RAY HILTON has done a Billy T. and moved off to Queensland for good.

ANNUAL SUES of \$10 for Members and \$5 for Country Members are due. The new Life Member will be pleased to receive them.

HANDICAP adjustments announced at the meeting last Monday:

Paul Hennessy Jnr. down 1
Jack Gaudron down 3
Bill Sheehen
Mark MacMillan
Michael O'Kane and
Catch are up one stroke.

NEAREST THE PINS 1st - All players
8th - Over 20 handicappers
Second shot on 15th - All players
17th - 20 and under handicappers.

Good Golfing.....
