

LIZARDS

FLAT OUT LIKE

NOVEMBER 1985.

WELCOME to HENNESSY'S DAY and the advent of the bush fly, the high pitched droning of cicadas and the occasional attack by nesting plovers.

THE HENNESSYS are hard at it, as usual - Paul, the younger, racked up an astronomical average of 2.5 points per hole last month to win at a walk with 40 points for 16 holes. Paul, the other, apart from being the comptroller of Lizard liquidity and secreting secretarial stuff has broken the last link delaying the publication of our fixture cards. They should be snug in our top pockets whirling around in washing machines sooner than anticipated. The same Paul, in an earnest endeavour to dead-heat with Halley's comet, has placed an order for Lizard GLASSES. The Captain Handicapper, to commemorate the day, granted an increase of 2 strokes to their combined handicaps - minus 3 for one and plus 5 for the other.

CAPTAIN HANDICAPPERS and ASSISTANTS DAY produced the following results;

LIZARDS	1st Paul Hennessy	40 points off 18
	2nd Bill Epps	38 points off 19

VISITORS	1st Iain Valentine	33 points off 30 on a count back from
	Alistair Stroebe	33 points off 14

VALENTINE'S DAY: On his first visit for 12 months he responded on behalf of visitors, won the trophy, won the raffle and scored a free downer with the choir. Good luck to you Iain - we hope to see you again.

PAT PURCEL, resplendent in his Irish Railways and Steam Packet Union Club footie jumper, turned a few heads and one or two stomachs. The jersey comes with the usual white collar and has narrow hoops of black, old gold and purple. The IR and SPRUFC boasts more sporting complexities than any Sydney club.

RAY HILTON, having in mind the charm of unfamiliar attire, looked quite trim in his Oonoonba Hotel T-Shirt. (Post Code 4811 if you desire to place an order - they come in 9 and 18 gallon sizes)

MICHAEL O'KANE has 6.43 months to wait before becoming a father.

SINGLE FIGURE handicapper Ken Bond has been joined by Alan Lewis following Alan's failure to provide mustard for the hot dogs last month.

THE CHRISTMAS HAMPER looks as though it could stand a good shot in the thigh. If you have inadvertantly decided not to bring anything today you could give the Treasurer a few dollars which will put some ham in the upper part of the stocking and still have the chance of bringing a bottle of red on Sunday 15th December - the day of the draw.

BRING A PRIZE - WIN A PRIZE is on next month. Keep your "present" well clear of the Hamper. Father Christmas will shower the multitude with the gifts in the order of our golfing ability on the day.

LADIES NIGHT is on the drawing board for Feb-March.
