

LIZARDS

FLAT OUT LIKE

MARCH 1986.

WELCOME to the only nondescript day on the Lizard calendar - we are celebrating the nameless event by playing the second round of the Lindenberg knock-out; enjoying a friendly visit from the Manly Civic Club; disregarding the autumnal equinox and having a downer for St. Patrick.

M.C.C. President, Richard Pearce, promised an early reappearance whilst being presented with the fresh air replica of the missing silver trophy at the December M.C.C. Day. Superannuated Lizards Dave Treharne and Jock Ross will be two of the stars in his golfing contingent.

FOUNDATION/LIFE MEMBERS' DAY produced the following results:

LIZARDS 1st	Catch	43 points off 22
2nd	Harry Warner	38 points off 25
VISITORS 1st	Grizz	47 points off 32 on count back
2nd	Keith Miller	47 points off 30
LIFE MEMBERS TROPHY	Mark MacMillan	38 points off 16
NEAREST THE PIN 1st	Ken Bond	
18th	A. Skinner	
Second shot on 3rd	Catch	
7th	A. Skinner	
PUTTING	Bones	28 putts
BRADMAN	Col Axhore	22 points off 28

FINES, some were:

President	Failing to call for the Airies.
Captain-Handicapper	Displaying lack of couth by wearing a cap in the Shed.
Bones	Wearing bowling shoes on the course.
Harry Thurston	Listening with intent to one of Len Le Mons' golf tips.
Len Le Mon	Selling a raffle ticket to Andy Warner "on trust".
Jack Gaudron	Throwing unseemly words and a 2 wood on the 7th and not buying the President a beer when found without his Lizard on Central station,

Fines (Continued)

Bill Sheehan	Causing Life Member Gordon Donald to be his caddy by stating he was a L.M of longer standing.
Nifty	Sinking a 14,179mm putt with ease and providing leaky sauce for lunch.
Michael O'Kane	Providing leaky mustard and no tin opener at the same meal.
Keith Miller	Impersonating a cricketer and for changing into St. George shorts at the end of the first nine.

THE ANNUAL MANLY-WARRINGAH L.C. CRICKET CLUB V's LIZARDS match was won by the Cricketers in a photo finish, 258 points to 256. Congratulations lads - the camera has been sent back to the steam museum for repairs. We are looking forward to seeing the team and even The Grizz the next time around.

WELCOME to Tony Della and Harry Warner. Tony is back from hospital having withstood a general degalling and Harry is back from the workforce. He retired at 5 O'clock last Friday.

DRINKING TINNIES outside the confines of the Shed area was knocked on the thumb with a degree of permanence as from last month. For those not present on the day, part of the spiel published in the February F.O.L. is rehashed:

The Committee decided that the habit, unique as it may be, should be frowned upon. Displaying unaccustomed wisdom they were of the opinion that the problem would not disappear up its own ring-pull overnight - they envisaged foot shuffling, twitching, groupie discussion and eventual hollow oration on the need for lack of self discipline. With all this in mind they expect the incidence of drinking cans on the course to grind to a halt.

THE LINDENBERG, ROUND 2, draw is on the wall and fraught with interest. As a forerunner to St. Patrick's day, the Hibernian joust - Pat Purcell v. Michael O'Kane - takes the praties.

LADIES NIGHT will be held at the Manly Civic Club on Saturday 5th April - Meet in the bar at 7.00pm for 7.30. Visitors and their ladies are welcome. President Mark MacMillan will be giving the event a mention at the Meeting today.
