

LIZARDS

FLAT OUT LIKE

MAY 1986

WELCOME to PRESIDENT'S DAY and the semi-final of the Lindenberg knock-out competition.

MARC MacMILLAN, our clean cut hard working President, is approaching the end of the traumas of office - a few yet to go - seeing a tidy end to the numerous competitions; the engraving and re-issue of all trophies; organising and conducting the Annual General Meeting; etc., Last Monday night the Skipper issued an order from the bridge to the Captain Handicapper, who was jogging along beside the ship in a cloud of plankton "GET the annual trophies back". The C.H. stopped and with water seeping through his Adidas laces replied "No worries". Do them both a favour by returning your trophy to Andy. His home'phone is 451 2471 - not the one shown on the fixture card.

NEXT MONTH the Vice-President gets a go and its Father & Son Day. Be nice to a Son, a Step-Son, Grandson or Son-in-Law and have a crack at the trophy.

BILL SHEEHAN DAY produced the following:

Peter Grimes an applicant
for membership

Arriving late with no shoes;
application had no date, no blood
and bad verse;
ducks on the pond by bringing
Jessie;
feeding Jessie with Lizards food;
and winning the Bradman trophy to
boost his handicap.

Andy Warner

Laughing when his father, Harry,
fell off the roof; and

Chris Warner

Not laughing at the same incident.

PETER GRIMES was eventually endowed with membership. Whilst reading his application to the assembly, Jessie, and all others within earshot, dissipated into the scrub. Congratulations Peter, we hope you have a long and happy association with the Lizards.

TOBY WEBB who played as a visitor of Jim Tracey in 1946, the first year of Lizards, joined the Club in 1947 and became the first Overseas Member when he took off for Fiji a couple of years later. Subsequent employment in the Australian outback kept him from the golfing scene for a few more years. He rejoined the Club aeons ago and at the age of 81 is still enjoying being a Lizard. We look forward to him competing with one of his grandsons in the Father and Son day.

THE GODFATHERS BASEBALL CLUB are standing in the Shed ready to hit off. Their Captain P.E. threatened to bring baseballers IFFY, WACKA, SPROCKET and THE GRIZZ, all winners of Lizard visitors trophies, to bolster his team's nebulous chance of winning the annual competition.

THE GRIZZ, a local businessman, has given away die casting and is up to his ears with pets of the month at his Harbord Emporium.
