

LIZARDS

FLAT OUT LIKE

JUNE 1986

WELCOME to VICE-PRESIDENT'S DAY, the last fixture on our 1985-86 card. HARRY WARNER has spent a fruitful year in the V.P's chair and whilst guiding with a gentle rein and steely gaze has solved a multitude of Lizard conundrums with his thoughtful innovations. Lets hope he doesn't do an "Andy" and leave today's trophy at home.

FATHER and SON DAY has come around again and is attracting a record array of parental permutations. Life Member Bill Sheehan was contemplating throwing a net over one of his 6 footers and trying to tame him in his pursuit of the perennial prize.

THE LINDENBERG KNOCK-OUT final will be played if Ken Bond packs up and leaves the idyllic resort of Cebu, in the Phillipines, to compete with Andy Warner. The chances of shortening his nefarious leisure are about the same as James Bond signing up for an all male movie. Our congratulations to Andy for regaining the Trophy for 1986-87.

MARK MacMILLAN's Presidents Day produced the following results:

THE LIZARDS v.s GODFATHERS annual bash was won by the Godfathers with 332 points to 328. Godfathers' President, Peter Edmonds, presented the losers paddle to Mark MacMillan and spoke for so long he was given a downer to shorten the ceremony. Congratulations to Peter for fielding so many fine baseball-golfers on the day, winning and having a non-playing public relations man as good as Mick Hodges. See you again next year.

THE AERIE choralists were The Grizz, Pat Purcell, Tony Perriman, David Webb, Nev Meredith, John Copeman and Peter Harris. The cacophony had to be observed to have the full maiming effect.

THE BIG RAFFLE was drawn by Peter Edmonds;

- 1st Marty Plim
- 2nd (I missed this name - Marty was still out of his tree)
- 3rd C.K. Lewis (Alan's father)
- 4th Alan Lewis
- 5th Catch.

THE SMALL RAFFLE was snapped up by Gordon Donald.

TODAY presents the last opportunity to topple the leader in the following competitions:

Good Golfing.....
