

LIZARDS

FLAT OUT LIKE

Welcome to the CAPTAIN/HANDICAPPER'S and ASSISTANT's day. MARK MACMILLAN and his assistant DAVE GILCHRIST have their day of recognition today. Being nice to them generally won't mean you will get a shot or two back on your handicap, but there are suspicions that they will be quite receptive to bribes. The AMP's \$42 million computer is still helping out with their efforts at keeping an eye on all our results - we must have the most expensive and high powered handicapping system in the world.

The Printer's Day produced the following results :

Donor's Trophy : Toby Webb 39 Points off 27 Handicap (Third in Lizards)

First Lizards : Bill Sheehan 42 Points off 26 Handicap

Second Lizards : Tony Della 41 Points off 12 Handicap (on a countback)

Thurston/Copeman

Trophy : Ken Bond - Most twos

Jack Gaudron Trophy : Nev Meredith - 19 points (best other 9)

First Visitors : Gary Bird 39 Points off 31 Handicap

Nearest the Pins - 1st : Ken Bond 9th : Tony Della
17th : Andy Warner 2nd on 12th : Noel Corley

Bradman : Pat Purcell 26 Points off 31 Handicap

Putting : Tony Della 27 Putts

IPP MARK MACMILLAN was at last able to present the "SS TROPHY" as both the trophy and the recipient were in the same place at the same time. RAY WALSHAM was called upon to receive the PRESIDENT's PADDLE and after a short speech, quaffed the regulatory downer.

It was appropriate that the new look Flat Out Like made its debut on Printer's Day and judging by comments received, it was fairly well accepted. However, EDITOR BILL EPPS, always one for detail, has yet to cast his eagle over it.

CAPTAIN/HANDICAPPER MARK MAC was still on the injury list, but managed to play the 1st and 10th holes. By all accounts, he should have stayed in the shed. Hopefully he will be wielding his woods and wedges this month.

The PRESIDENT HARRY WARNER is out of hospital and is rumoured to making a cameo appearance at this meeting. Under doctor's orders still, he will only be a backseat passenger and as a result of the VICE-PRESO's absence (somewhere in Manila and/or Ireland), IPP MARK MACMILLAN will be conducting the meeting.

Latest rumour has it that the Lizard is still in parts unknown to most members. It appears that the person who first took "custody" of the Lizard no longer has the Lizard in his possession. Where it is now who knows. But maybe with the appearance of HARRY WARNER at this meeting, the Lizard will deem it an appropriate time to also make a appearance, if not only for the sake of the PRESIDENT's health.

At the recent committee meeting, LIFE MEMBER PAUL HENNESSEY was heard to suggest that we might consider holding a couple of Ducks on the Pond Days through the year. Mind they would not be constitutional meetings, but maybe something could be worked out.

The CATERER/CHEF ANDY WARNER has given notice that he is unhappy with his title as it does not reflect the standard of the culinary delights that he has been dishing up to us of late. From now on he wants to be known as Generous Culinary Cordon Bleu Chef Caterer. Has anyone have any other suggestions? However, despite all this, Andy will be going to great expense and effort this month and will be bringing his new Webber Barbie to cook a roast for us.

NIFTY NEV's truck broke down in the car park of the Manly-Warringah Golf Club last weekend. He called the NRMA and who should turn up but ROGER EHRET, mechanic fantastic and ex-Lizard. Small world !!

JOHN COPEMAN should be fined for this one. He arranged with ANDY WARNER to deliver a new microwave oven which Andy procured for a very good price. Promises were made that John would be at home at a certain time to take delivery of the new appliance, but was he there? No, he was down at Manly Leagues Club sinking schooners. How's that !!

Christmas is fast approaching, only two more meetings after this one. Raffle tickets are available to members and visitors alike to sell, so do your bit for a worthy charity and takes a couple of books. The prize again will be a Hamper, made up of goodies donated by members and others. Next month, the Christmas Stocking will be on hand to put all the goodies in. As usual the Club will be donating a ham.

Remember that if you win or lose a lottery ticket, see the C/H who will take your money and arrange a ticket for you.
