Merry Christmas and a Happy and Prosperous New Year !

Welcome to the MANLY CIVIC CLUB DAY, Bring a Gift - Receive a Gift, the Drawing of the Charity Hamper and the Lizard's Yuletide Festivity. Santa may cascade down the chimney in his Christmas soot later this afternoon to distribute the Gifts - if you haven't brought a Gift you still have time to make a purchase at Vicki's Golf Shop; the Secretary/Treasurer has some Christmas Wrapping Paper.

RICHARD PIERCE, President M.C.C., in company with some well known Civic Club members, will be here today to sprinkle goodwill on the assembly and help us chomp a few more divots from the tees in the annual quest for the elusive MCC - LIZARDS Trophy. Good luck gentlemen.

PAUL HENNESSY Jr, our football playing member and integral part of the Premiership winning Pittwater RSL Soccer Club, has invited his team mate Michael Hennessy and, while he was hot, the whole team to play golf with the Lizards to demonstrate, we assume, that there is a sport the participants enjoy whilst the game is in progress. Welcome fellers - hope to see you again.

Bradman : Col Axhorn 25 Points off 30 Handicap

AIRIES : Included the unlikely names Mark MacMillan and Pat Purcell and the likely contender Col Axhorn. Peter Grimes was fined for joining them to get a free drink. COL. AXHORN had trouble doing justice to the 'Dave Treharne' pint of Bradman fame and spent some time finishing it off at leisure leaning on the back of the fence.

HARRY WARNER must have reduced his chance of joining the notorious list of presidential winners of the Christmas Hamper by walking off with the November raffle.

THE LIZARDS eventually cracked it for a narrow win against the Leagues Club Cricketers. We had better look up our old Gary Player how-to-do-it cut-outs and spend some time on the driving range before the return bout.

THE LEAGUES CLUB GOLF CLUB had a gala day in November attended by some of the Lizards. Harry Warner picked up a trophy in his first game since his illness. Andy got a nearest the pin. Chesty Bond won a prize; John Copeman went for the double - one being for a long drive and Sam Furlani, our recent visitor, won the prestigious "A" Grade. Not bad for such a small contingent.

The Secretary/Treasure will have copious quantities of raffle tickets to sell, so if you have some spare cash for a good cause, he will only be too happy to relieve you of it.

THE CAPTAIN/HANDICAPPER will again be in his kiosk today to arrange lottery tickets for the winners/losers.
