

LIZARDS

FLAT OUT LIKE

WELCOME to the Hennessy's Day. The two Pauls have switched their day to the Hibernian month with a view to coinciding with St. Patrick's Day. They will be bang on in 1991 and 1996. Paul, the younger one, is up to his knees in soccer pads at the moment and Paul the other is up to his elbows in everything. We hope they come good with the usual bottle of Hennessys to mark the occasion.

The FOUNDATION/LIFE MEMBERS' DAY produced the following results :

First Lizards	: Peter Grimes	44 Points off 27 Handicap
Second Lizards	: Dave Gilchrist	39 Points off 15 Handicap
First Visitors	: Sam Furlani	31 Points off 8 Handicap
Donors' Trophy	: Alan Lewis	39 Points off 10 Handicap (3rd Lizards)

Bradman	: Mark MacMillan	27 Points off 13 Handicap

PETER GIMES ruptured the ratio of probability by amassing a brilliant 44 points. Having tucked the trophy into the trousscu and demolishing the downer, he was fined for the following :

- arriving in a chauffeured MG,
- transporting Garry Bird as luggage,
- having Jessie doctored, and
- wearing poofier pants.

He would have been lucky to come out square on the day.

BILL SHEEHAN, with St Patrick's Day in mind, has cashed in his orange Ford and came up with an emerald green machine - an LTD. We now have a footwear exponent travelling around with the biggest boot in NSW.

THE LIZARDS meeting last Monday night was a full house - 10 turned up. It was just as well that the *CAPTAIN/HANDICAPPER* and the *BAGGAGE MAN* didn't arrive - there weren't enough seats. The *TREASURER* announced an eroding of our solvency due to the attendance on Golf Days falling 4 or 5 short of the break square number. An immediate and simple solution would be to bring an occasional visitor, whilst looking around for a few new members - particularly of the calibre of the last two we snared. Other schemes are on the drawing board, none of which includes an increase in fees.

LEN LE MON, present at the meeting, was voted in as the Club's *SOCIAL SECRETARY*. He will be looking at other social groups and may come up with some suitable teams for seasonal or annual tournaments at *AVALON*. He will be examining the membership list and attendance figures for the last 12 months. He would be pleased to hear any suggestion from members or visitors pertaining to the welfare and benefit of the Club. His assistant in his new endeavour is *Bill Epps*.

ANDY WARNER, Chef and cordon bleu, etc., will be setting his baseball team loose again at *Avalon*, in one of the cooler months, for the annual *Godfathers vs. Lizards* bash.

The *CAPTAIN/HANDICAPPER* announced the following handicap adjustments :

Plus 1 - Mark MacMillan
Minus 3 - Peter Grimes
Minus 2 - Dave Gilchrist
Minus 1 - Al Lewis

The *LINDENBERG* Knockout tournament, Round 2, will see the following combatants in action :

Garry Bird	Dave Gilchrist	Nev Meredith
Peter Grimes	Andy Warner	Ken Bond
Harry Warner	Tony Della	Al Lewis

Nearest the pins are the 8th, 9th, 13th and the second shot on the 11th.

LOTTERY TICKETS will be available in the shed after the game.
