

LIZARDS

FLAT OUT LIKE

WELCOME to PRESIDENT'S DAY and the semi-final of the Lindenberg Trophy. President Harry Warner has kept the noses of the supposers close to the grindstone for the past eleven months and will be inviting them to strike a few more sparks in their last nasal engagement by way of winding up the year's activity; planning and organising the A.G.M. - complete with engraved trophies - and kick-starting a mid-year raffle. On the intensive list a few months ago he bounced back with added zest, has no trouble winning the occasional Lizard trophy plus a bundle of Manly-Warringah Leagues Golf Club prizes and is playing mid-week lawn bowls in his spare time - what a toff!

SHEEHAN DAY produced the following results:

First Lizards : Harry Warner 40 Points off 25 Handicap
Second Lizards : Bill Sheehan LM 39 Points off 23 Handicap
First Visitors : Fred Hansen 31 Points off 24 Handicap
Sheehan Trophy : Mark MacMillan 21 Points off 13 Handicap (Best front 9 on a countback)

Nearest the Pins -

1st : Len Le Mon 8th : Bill Epps
12th : Alan Davies 2nd on 11th : A. Skinner

Putting : Bill Epps 30 Putts

Airies : included Harry Warner and Peter Grimes. Nev Meredith, Head Airy, was among the audience, on this occasion.

Bradman : Greg Elks 24 Points off 36 Handicap

BILL SHEEHAN, advocate of saving beer by serving LA to the airies, was not amused when he downed an unsuspected LA as a result of winning second prize.

PRESIDENT HARRY enjoyed a real beer for his winning effort - not bad after taking out the Donor's Trophy last month with 39 points off 26.

BRADMAN GREG ELKS had 2 false starts with his special downer and must have consumed a litre before the ceremony came to an end.

FINES, some were :

- Mark MacMillan - for driving an orange Renault without personal number plates and suggesting to Andy Warner, after a few of Andy's short putts - "If you are going to putt like a fairy, maybe you should move into Forbes Street with me".
- Nev Meredith - for borrowing Lizard's beer stocks on Good Friday and not returning it on the Golf Day (when it could have been placed to much better use).

THE RAFFLE was won by Bill Sheehan who had to be told that he had the winning ticket in his pocket.

PETER GRIMES, member of the *Curl Curl Classics Touch Footballers*, has invited the team to Avalon today to touch us off at golf. Good luck on the day fellas and if you can stand us you might come again.

The CAPTAIN/HANDICAPPER has brought out his razor and has made the following incisions to members' handicaps :

- Minus 2 - Harry Warner
- Minus 1 - Bill Epps
- Bill Sheehan
- Plus 1 - Harry Thurston (a negative cut !)

LINDENBERG SEMI-FINALISTS are:

Garry Bird	vs.	Andy Warner
Peter Grimes	vs.	Harry Warner

A veritable smorgasbord of the good, bad and ugly. Current prices are even money all round - but so was the recent international boxing tournament. Best of luck to our four top liners.

THE ANNUAL GENERAL MEETING is on the drawing board for Wednesday 8th july. More information as it comes to hand.

Your Management Committee has been acutely aware in recent months that the Club has not been faring very well as far as attendances and hence financial considerations are concerned. To this end, your Committee has reviewed the cost structure of the fees having regard to the increasing cost of golf (now \$6), the cost of trophies, insurance, putting competition and the catering costs. You will find attached to your card today what is possibly a first in the history of Lizards - a Referendum Form. The choices in this exercise are to provide a means by which you can tell the Committee how you think the Club should be setting the fees. Please indicate your preference by making some sort of mark in the appropriate box (an "X", "I", "a" or "j" will suffice) and hand the completed form to the Captain/Handicapper. Your co-operation in this regard will be much appreciated.

Nearest the pins are the 8th, 13th, 18th and the second shot on the 2nd.

LOTTERY TICKETS will be available in the shed after the game.

Good Golfing
