

LIZARDS

FLAT OUT LIKE

WELCOME to LE MON-DELLA Day. Len, a past President, is well known around the Course and in the Shed in his current role of Croupier. Tony is one of our more recent additions to the ranks. He has been known to play golf with the the Manly Taxi Cabs at courses around Sydney, but almost always manages to front up on the third Sunday for The Game. Here we must apologise to Tony. His full surname is DELLA FIORENTINA - wonder what it all means ?? Thanks to both Len and Tony for donating today's trophy.

The EPPS/MEREDITH Day attendance was bumped up with the annual visit by Andy Warner's and John Copeman's sporting associates, The Godfathers Baseball Club, and produced the following results :-

First Lizards and EPPS/MEREDITH Trophy :

	: Tony Della	42 Points off 10 Handicap
Second Lizards	: Peter Grimes	41 Points off 21 Handicap

TONY DELLA was keen to try his new double figure handicap and blew it first up with a brilliant 6 under par 42 points. Tony will be rejoining the elite ranks of Ken Bond, Alan Lewis and Len Le Mon, all off single figures.

CLUB CHAMPION, Peter Grimes, winner in June with a one under par, gave it a go for the double with a 5 under, but was pipped on the post by one point. He is now running a close second for the 1988 Championship.

GODFATHERS vs. LIZARDS - the big annual event and one of the brightest sparks on the fixture card - was won by the Lizards, 300+ points to 230. **PAT PURCELL** was pleased to see the trophy again and will be holding it on spec for 12 months.

FINES, some of which were :-

All Godfathers - "A" Grade team playing a 10 all draw with the Forest Wimps.

Whacka Wilson - Impersonating Jack Newton

Bruce Madden - Having 4 airies in the first hole

Tony Perriman - Wearing Harry Thurston's name tag

Harry Warner - Attempting to stoke his lounge room fire with his nose; and

Terrey Hills - Living in Terrey Hills Road, Terrey Hills

COURT JESTER, Peter Grimes, scored 10 points with his novel story of rodent eradication in New York. Lets see how he fares today.

CHEF/CATERERS, Garry Bird and the other one, started their 12 month sentence with a touch of panache, even if they were fined for serving food on sticks and providing a cheese platter with nix bix. Only 11 more to go chaps ! And no remissions for poor behaviour or even learning to cook.

BILL SHEEHAN L.M., Baggage Man supreme, always first at Avalon with the gas bottle, cook's boilers, electric leads, immersers, Grog and ICE, as well as other accoutrements and as reliable as Barnett-Glass tyres, Purr-Pull petrol, let alone Berger's paint, boo-bood last month. Despite suffering a back injury sufficient to divorce him from attending the AGM to vote for himself (his first omission in 32 years), and the mere fact that the Lizard-mobile, his favoured LTD, had been pilfered, he was running late in delivering the stuff last month. He missed the first four off the tee by 10 minutes ! What does he think we are - Camels - capable of playing 9 holes on an empty stomach ? He eventually staggered out to the Course in his son's mini-pantehnicon, the type of vehicle used by the Mafia, when they don't want the hit squad to know which barber's shop they will be attending. If this type of lassitude persists it could spell his last ride.

ON A brighter note - **BILL EPPS** got his ancient V8 Commodore back. It went missing (a disgusting Yankee-ism) from Brookvale Mall a month ago - deemed to be destined for the spare parts heaven in the South Australian sky - but no ! It turned up in Manly having been instrumental in bag snatch-ing operations at North Head. The forlorn tin tank was bailed out of the Belgrave Street pound, covered in fingerprinting dust and full of skun purses and breaking tools. The mechanically minded tea leafing minors had tuned the wheezing wonder for a faster getaway - thank you possums. The felons were not apprehended, so keep your hand over the crown jewels whilst at North Head or on the Corso.

NIFTY NEVILLE and his co-donor were fined for providing a "second hand" proof pewter, suitably engraved Lizards 1987 etc. They are aware you can't buy pewter these days that you can sink your teeth into and are combing the deceased estates for a matching first fleet model, with next year in mind.

JOHN COPEMAN on the fines tin - **WOW !** The custodian's job is to protect the President from interruption during the meeting !!

The **CAPTAIN/HANDICAPPER** has wielded his razor for the first time in a couple of months and has made the following adjustments to members' handicaps :-

Minus 1 - Tony Della, Tony Perriman
Minus 2 - Pat Purcell
Minus 3 - Peter Grimes
Plus 1 - Mark MacMillan

Nearest the pins are the 1st, 4th, 8th and second shot on the 15th hole for all players.

LOTTERY TICKETS will be available in the shed after the game.

Good Golfing
