

LIZARDS

FLAT OUT LIKE

October 1987

WELCOME to COPEMAN and THURSTON DAY. The donors are the effervescent John and the ever present Harry. John has been in hibernation since we played the Godfathers last but Harry has kept his name in the news by cornering the Bradman market. Outright winner in August, he was beaten on a countback for last place last month. Visitor ANDREW BONSER consolidated his quest for the title by amassing 47 putts.

The PRINTER's Day produced the following results :-

First Lizards and PRINTER's Trophy :

: Andy Warner 43 Points off 14 Handicap

Second Lizards : Toby Webb 35 Points off 27 Handicap
on a countback from Bill Epps L.M.

First Visitors : Dave Raynor 43 Points off 32 Handicap

7th : Andy Warner - handicaps of under 20

ANDY WARNER ended his long hard grind back to the winner's enclosure with a brilliant display of golf. His round of 7 over the card included a massive 275 metre up the hill drive on the 7th and at least 8 one putt greens. Congratulations, you deserve a Swan downer on TV.

TOBY WEBB came in second with a steady 35 pointer. A faultless 19 points on the second nine secured his win, on a countback from *BILL EPPS L.M.* Hats off to *TOBY*, he can have a Tooheys or two.

Visitor *DAVE RAYNOR* got amongst the big numbers with his "temporary" handicap of 32. Hope we have the pleasure of your green fees on a regular basis.

CATCH, fresh from hospital, gave his new bionic arm a work out and knocked off the longest drive for the 20 and over handicappers. We should send him back to the armoury to have the rest of him fixed.

AIRIES included Harry Warner, Toby Webb, Bill Sheehan L.M., Harry Thurston, Jim Small and Nifty.

THE LIZARD, on walkabout since May, turned up at the Course to assist President *PAT PURCELL* in his official capacity for the remainder of the year. Looking well bronzed, after the 4 month vacation, it was given a welcoming drink but couldn't remember where it had been.

THE PADDLE is the only essential Lizard item currently out of stock. The legitimate holder would be pleased to see it as he has a vacancy on his mantelpiece.

The *CAPTAIN/HANDICAPPER* has arisen from his sick bed to prescribe the following antidotes to the ailments of Members' golfing performance :-

Minus 2 - Andy Warner
Plus 1 - Jack Gaudron
- Len Le Mon

Nearest the pins are the 1st and 9th holes for all players.

There will be two longest drives : 11th hole for players with handicaps of under 20 and the 15th hole for players with handicaps 20 and over.

LOTTERY TICKETS will be available in the shed after the game. The *CAPTAIN/HANDICAPPER* has a few lottery tickets that have not been collected. Please check to see if yours is one of them - after all you may have won a prize!

Good Golfing
