

LIZARDS

FLAT OUT LIKE

WELCOME to VICE-PRESIDENT's Day - the final event on the current fixture card, the close of the 87/88 era and the last chance before the Annual General Meeting for V.P. David Gilchrist to rustle up a few extra votes. David's lobbying potential will be diluted with the excitement of possible photo finishes in both the Lindenberg and Club Championship finals, the running of the Father and Son competition and a chance of the Baseballing Godfathers dropping in for their seasonal bash. Sounds like a busy Sunday.

PRESIDENT'S DAY, in conjunction with the second onslaught of the Curl Curl Classics Touch Football Team, produced the following results :

THE SECOND ANNUAL TOURNAMENT for the Lizards - Curl Curl Classics Touch Football Club Shield was won by the Curl Curl Classics (again), this time by the margin of 376 points to 362. Classic mainstays were Graeme Nye 52 points, Wayne Chisholm 44, Gary Dunne 42 and John Hogan 38 points. Congratulations to Gary Dunne's team and we hope to see the Classics again next year or any third Sunday that Gary or his team mates would like to have a hit and a bite to eat.

PAT PURCELL, on the occasion of President's Day, gave himself an early mark leaving Dave Gilchrist to the mercy of the lively looking bunch to the meeting. David conducted the proceedings with aplomb - dished out the trophies and steamed through the general business with few interruptions - mainly due to the fact that David was on the dias and not in the audience.

LIZARD WINNER Jim Small has been running hot for these past few months; his 45 points in March and 43 in May have earned him a jersey in the Lindenberg Knockout Final. Facing the loss of some strokes for his latest effort, he still may be capable of scoring 38 or 39 points, which could be a couple too many for his fellow finalist Len Le Mon. Len with his low handicap would be looking to card around 36 points. It will be interesting to see whether or not Jim can sustain his purple patch of attacking golf. Good luck to Jim and Len. A little of it either way will put the seal on the prestigious trophy.

WINNING VISITOR Graeme Nye with his Greg Norman haircut and 52 points to back it up, mishandled his victor's downer and was sent to the fence to finish it at his leisure.

SOUTHS SUPPORTER Wayne Chisholm, second prize winner and hitter of the longest drive on the 15th, played his best shot from the 2nd tee. A high looping slice which sconded the Grizz-z, who was ruminating on the 1st tee, some 150m away. The crack on the dome didn't seem to worry our Dave too much, but he failed to repeat his previous winning round of 41 points.

JED LINDLEY, in his earnest quest to bend the Captain/Handicapper even further round the twist, was Bradman in March, the April visitor winner and Bradman again in May - a hard act to follow. He should be rearing to go today. Handicapper Mark MacMillan might lend him his book on Consistent Golf.

A DARK HORSE in the Father and Son event could be the Jim Small/Grizz-z combination.

CONGRATULATIONS to the Lindenberg semi-finalists Garry Bird and Nev Meredith. Nifty, unfortunately and painfully, put himself out of the race by falling from the back of his truck and Garry came up against Jim Small on the wrong day.

THE A.G.M. has been set down for July 7th at the Middle Harbour Yacht Club in the Quarterdeck Lounge at 7:30 p.m. Cost will be \$16 per head plus any imbibing that you may want to partake of. Nomination forms for committee positions are available in the Shed - dob yourself in for a job and add a touch of polish to the Lizard scales. As another Lizard year draws to a happy conclusion we should thank our astute President Pat Purcell and his merry band of 'helpers' for their fine efforts.

The CAPTAIN/HANDICAPPER has made his final adjustments to Members' handicaps thus:-

Minus 6	- Dave Rayner	Jim Small
Plus 1	- Bill Epps L.M.	
	- Al Lewis	
	- Andy Warner	
	- Harry Warner	
	- Geoff Warren	

Nearest the pins are the 1st and 2nd shot on the 15th for all players.

The longest drives are on the second hole for both players with handicaps under 20 and players with handicaps 20 and over.

LOTTERY TICKETS will be available in the shed after the game from the CAPTAIN/HANDICAPPER.

STOP PRESS - latest from the Captin/Handicapper. Mark has indicated that Garry Bird, Tony Della, Bill Epps L.M., Peter Grimes and Len Le Mon are the only players with a chance to take out the Club Championship. Hopefuls in the Scratch Eclectic are Catch, Tony Della, Bill Epps L.M., Dave Gilchrist, Len Le Mon, and Andy Warner and in the Handicap Eclectic Garry Bird, Catch, Nifty and Jim Small.

Good Golfing
