AUGUST 1988

WELCOME to LE MON and DELLA DAY. Len and Tony are two of the Club's four members playing off 10 or less. Len is well into his seventys and has no trouble shooting his age, off the stick, around Avalon. Tony hits his tee shots with a thin slice, which places his ball slap-dab in the centre of the fairway and would be in the photo finish if we ran an annual putting competition. Both have had a practice round at Windsor this week - each driving around in one of those petrol driven buggys with the fringe on top - it's a hard life

The EPPS/MEREDITH DAY produced the following results:

First Lizards:	Dave Rayner	45 points off 21 Handicap
Second Lizards:	Peter Grimes	40 points off 16 Handicap
First Visitors:	Steve Tostevin	40 points off 27 Handicap
Nearest the Pins:	9th	Ken Bond
	5th, second shot,	Andy Warner
Longest Drives:	Over 20 Handicap	Jim Small
	20 and under Handicap	Andy Warner
Putting:	Tony Della	28 Putts
Bradman:	Wal Hill	13 Points off 36 Handicap

THE GRIZZ.2, is at it again. Over the past 6 months he has been taking it in turn, with Jim Small, to accept the winner's trophy. The new handicapper has syphoned another 3 strokes from the Grizz - so look out for Jim this month.

CLUB CHAMP., PETER GRIMES, romped in second with 40 points - two strokes clear of the other players. He lost one stroke for this effort. On second thoughts, it doesn't look too bright Jim, after all.

STEVE TOSTEVIN, fined the previous month for having never played with the Lizards, took out the visitor's trophy with 6 strokes to spare from his nearest rival, Matthew Gale - who had a more than honest 33 points. The Handicapper was considering leaving Steve's handicap the way it was and merely confiscating his clubs.

LONGEST DRIVES: Nothing unusual in that department.

WAL HILL - Sir Donald himself, was having trouble with Jed Lindley, but seems to have shaken him off and now has a strangle hold on the Bradman trophies. Wal was fined at the meeting for not making any effort to join the Lizards Club - possibly because we need an honest player.

CONGRATULATIONS to the "new" Committee, it includes 7 past Presidents, 4 Life Members, no new faces and one lady.

THE NEW CAPT/HANDICAPPER was fined last month for turning up without his paper work. Everyone must have played by memory. It seemed to suit Steve.

PETER GRIMES, CLUB CAPTAIN, whilst making his address at the Meeting last Tuesday night, requested it be brought to the notice of members that preferred lies may be taken ONLY on the cut portion of the fairway. It seemed a likely comment - as he was fined last month for taking a preferred lie in the scrub.
