October, 1988.

WELCOME TO MAC MILLAN/THURSTON DAY. Both have been Club President; Mark Mac in 85/86 and Harry a decade ago, after a few years as Caterer. Mark made a come back as an astute Captain/Handicapper and has, of late, chosen a comfortable knife and fork membership. Harry, in a gentlemanly way, chose to take up the Chef's hat again when it became apparent that the Lizards had painted themselves into a sticky corner, far from any kitchen, thanks again young Harry. Let's see whether the new double on the card have remembered to bring their trophy.

GARRY BIRD'S PRINTERS DAY produced the following results:

First Lizards	Dave Rayner	39 Points off 18 Handicap
Second Lizards	Nev Meredith	38 Points off 32 Handicap
First Visitors	Gary Dunne	42 Points off 30 Handicap
Scratch score	Neil Shackle	29 Points
Nearest to Pins: Second shot on 7th	Dave Gilchrist	
Second shot on 2nd	A. Skinner	
12th	Neil Shackle	
Longest Drive	Neil Shackle	14th Hole
Putting	Andy Warner	27 Putts
Bradman	Wal Hill	21 Points off 40
Raffle	Nifty - no. 51.	

THE INCORRIGIBLE GRIZZ.Z is still at it! The Handicapper has endeavoured to 'corrigé' him by steadily reducing his handicap to a pittance - to the stage where a normal fellow would take up bowls or pole vaulting - but he bounces back as large, if not larger, and poopes the school again. Congratulations Grizz, the stipes are considering taking parabolic aneroids to keep up with the overactive competitors.

NEIL SHACKLE, who is possibly affording the Grizz clandestine tutorials, scooped the visitors' pool in June and August but played it cool last month by winning only the scratch event, the longest drive and a nearest the pin.

NEV MEREDITH, getting back into the swing of things following his recent injury, scored a prizewinning 38 points with his hired clubs, won the raffle with ticket no. 51 and, following the announcement of the resignation of Life Member Paul Hennessy, volunteered for the position of Club Secretary. Our Congratulations to you Neville. It is not an entirely new role for the new office holder - he was secretary and factotum of the well patronised Ivanhoe Anglers Club for a period of 11 years.

GORDON DONALD L.M., was voted back into his job of yesteryear and is the Club's Treasurer. Congratulations Gordon.

DAWSON CARROL, visitor and resident of the Emerald Isle, has been entered on the books as a Country Member. We will be playing for his perpetual trophy in the near future. Dawson is tightening the straps on his luggage prior to his impending departure for Avalon. We should be given a countdown for the imposing event at the meeting today.
