FEBRUARY, 1989.

WELCOME TO FOUNDATION/LIFE MEMBERS DAY. To-day we honour our founder Leon List, licensee of the Steyne Hotel in the 40's and referred to by some as The Lizard. The postman was known to have handed him a letter from overseas addressed "The Lizard, Manly, N.S.W., Australia." His close mates shared a drink and a yarn with him in the Cellarette - an obscure part of the pub. After an odd game of golf with these fellows in 1946, Leon said "This is pretty good - why don't we make it a regular thing." The rest is history.

43 YEARS down the track we tip our caps to the Life Members - Col McClelland, Lance Try, Bill Sheehan, George Russel, Paul Hennessy, Gordon Donald and Bill Epps. With the exception of George Russel, they are all still kicking and, apart from Col McClelland, have all been President. Lance made it twice, 1954 and 1963. Bless'em all and hope those of them who attend to-day remember to bring a trophy for us.

CAPTAIN HANDICAPPER'S DAY produced the following results:

First Lizards	Peter Grimes	42 Points off 15 Handicap
Second Lizards	Bill Sheehan	41 Points off 25 Handicap

THE CAPTAIN HANDICAPPER, as predicted in the January F.O.L. did come up with a desirable trophy and was first past the post. However, Bill Sheehan, with a brilliant 41 points, was awarded the Peter Grimes Trophy - an elegant pewter housed in a red velvet box. Congratulations Will! - now follow the string to the back page, to see what else Peter has awarded you.

DAVE PRINGLE, winner of the Visitor's Trophy, helped put his group's nose in front in the Captain's novelty item on the card - the Team Event. When asked to draw the raffle, he topped off a successful day by extracting his own number.

DAWSON CARROLL, better known for giving than receiving, scored himself a well earned prize. After drifting around the course, he pulled one out of the hat on the 18th and took the nearest the pin. Dawson's first skin!

JOHN O'MEARA, winner of the Dawson Carroll Trophy two months ago, announced as winner of the H/C Cup last month and currently at short odds in the running of the Annual Club Championship, was fined for bemoaning the fact that he would have to buy a trophy cabinet. Hope he doesn't stint on the size, as he may have to cram in the Scratch and

Handicap Eclectic Cups, let alone the Lindenberg Knock Out Trophy which is conducted over six months, commencing to-day. Good luck in your quest, John - we will all be out to beat you.

CLUB SECRETARY, Mr. Neville Meredith, put some of the better dressers back a peg last month when he appeared in his new hat, Lizard shirt, tailored shorts and new shoes. If he keeps it up we will have to erect a duck proof fence around the Shed.

TODAY marks the first appearance of the LIZARD CUP, kindly donated by active Life Members Bill Epps, Gordon McDonald and Bill Sheehan. Each monthly winner will receive a downer from the cup and have his moniker duly inscribed upon it.

LEN LE MON'S infamous raffle will be held to-day, tickets to now be three for \$2. This slight increase will be offset by an upgrading in prizes and enable us to absorb the increase in green fees this year. Note: This does not mean that Vicki has acquired a second dog.

* Special note. This month will be the first of two qualifying rounds for the "Lindenberg Memorial Trophy". The best, 8, combined stableford scores from the two rounds, will form the draw for the Handicapped Matchplay event.

If you think you have a good chance of qualifying for the eight but will be unable to compete in the ensuing months, please mark your card or advise the Captain Handicapper. This will help eliminate the "byes" of the previous years and enable a truer competition.
