

FLAT OUT LIKE

APRIL, 1989.

WELCOME to SHEEHAN DAY. Bill Sheehan, Life Member and all time record holder for attendance on Lizard golf days, is still F.O.L., undertaking the duties of Plant Engineer, Baggage Man and Assistant Baggage Man. One of the few occasions we can give him a hand is when the furniture is being moved between the Club House and the Shed and also by putting our discarded plates, bottles, cans, cigarette packets and raffle tickets in the drum; otherwise Bill does an emu around the area at the end of the day to give future users of the Shed the impression we are a tidy bunch. Last month he decided to give the new 700 kg B.B.Q. machine an official snag, rissole and onion test by electing himself cook, however it was parked up on a bench, chained to the Shed wall and the key was elsewhere. Rather than damage a single link of Lizard equipment,

he ignited the metal monster in-situ and, on tippy toe, cooked the writhing snags etc, on a hot plate that remained 150mm above see level. Well done Will - very tasty.

HARRY WARNER DAY produced the following results:

First Lizards	Peter Grimes	43 points off 13 Handicap

THE HARRY WARNER TROPHY was a delectable bottle of Irish Mist, from Tullamore, Ireland. Peter Grimes accepted it with glee - it went well with the set of glasses he won for his other successes on the day. It happens that Peter, playing off 24, won the day in 1987 with the same score, and Harry won the Donor's Trophy - a bottle of Hennessy Brandy - for coming in 3rd. Peter had won two months in a row with a total of 87 points for 36 holes. Two years later he has won only once and scored 81 points for the 2 games. Congratulations to Harry and Peter - our new donor and, presently, hottest golfer.

PAT PURCELL, awarded an additional stroke before he hit off, played a faultless round tinged by the scent of Irish Mist, causing patches of brilliance - but all to Mona Vale. The new handicap hangs in threads, so it's back to the drawing board and an occasional Guinness.

MICHAEL KENT and DAVE PRINGHE both broke through the visitors' tape with the magic 36 points. Michael just pipped Dave in the photo of the countback. Congratulations to the players and the Handicapper.

VICE-PRES. ANDY WARNER, winner in February with 43 points slipped to the bottom of the Wal Hill to take out the Bradman - and disposed of the award with a lot less effort than the practiced Wal. Andy, overall, had a busy day by not qualifying for the Lindenberg with a flying start, amassing the fines ~~unassisted~~ without assistance, conducting the meeting in the absence of ~~the~~ President Dave Gilchrist, who scurped off to America on some record making jaunt, and not being able to heckle the chairman from the back bench.

THE LINDBENBERG KO COMPETITION, following the qualifying rounds, sees 8 players in the quarter finals today, 4 in the semi-finals in May and 2 in the grand final in June.

The quarter finalists are Garry Bird, Bill Epps, Peter Grimes, Pat Purcell, Dave Raynor, Neil Shackle, Harry Thurston and Harry Warner. Good luck lads!

THE TEA LADY just phoned to advise all Lizards to buy a \$2 lottery ticket, as the jackpot prize has topped the \$million mark, and to say she wouldn't be surprised if our semi-finalists were Garry Bird, Peter Grimes, Dave Raynor and Neil Shackle.

FINES - some of them were:

The Grizz3

arriving in a non-mint condition;

Bill Sheehan

forgetting the BBQ key;

Peter Grimes

wearing wet weather gear,
having ducks on the pond, and
kissing said duck.

A LADIES NIGHT could be coming up, possibly in October -
more information next spring.

A RAFFLE is coming up, possibly today. Take some
tickets and sell them - we will be able to hire a
hack saw to free the BBQ and have candles on ALL
the tables on Ladies Night.
