

FLAT OUT LIKE

AUGUST, 1989.

WELCOME to LE MON and DELLA DAY. Len and Tony, two of the few low markers in the Club, provided an extra trophy last year for the best scratch Stableford score. Tony won it, on a count back from Len, with 27 points! Len, our genius Croupier, is still our only member capable of shooting his age, off the stick, around Avalon. They both enjoyed a practice run over the 5900 metres on Windsor a couple of days ago and should be in good form for our 4000 m. home course.

THE EPPS/MEREDITH DAY produced the following results:

First Lizards	Tony Della	36 Points off 10 Handicap
Second Lizards	Harry Thurston	34 Points off 25 Handicap
First Visitors	Peter Edmonds	46 Points off 32 Handicap
Second Visitors	Peter Woods	46 Points off 32 Handicap
Best Scratch Score	Tony Della	26 Points
Nearest the Pins	1st John Copeman	
Second Shot	2nd Len Le Mon	
Second Shot	3rd Peter Edmonds	
	9th A. Skinner.

THE GODFATHERS Baseball team got away to a flying start when President Peter Edmonds and Peter Woods, their official 40 watt speaker, slid into base with 46 points apiece. However the tail of the field couldn't keep up with the bosses and the Lizards won the Annual Tournament with 258 points to 239. Congratulations Godfathers - we hope to see you in force again next season.

TONY DELLA played a faultless round to take out the Epps/Meredith Trophy, for the second time. His scratch score of 25 matched Peter Grimes' effort in June, and will take some beating - Ken Bond, Neil Shackle or Len Le Mon could give it a shake, on a good day.

HARRY THURSTON, having cast off his caterer's cocoon, fluttered straight to the pay window and picked up second prize. Neither he nor Tony lost strokes for their wins - a feather in the cap for the handicapper.

COURT JESTER, Pat Purcell, will be able to wear his official badge of office to-day - so will the new Pres., Vice-Pres., Captain etc., They were left incognito last month, when Bill Epps, the Dymo badger, fled farther afield to further his fishing fetish. Sorry about the delay chaps and, unfortunately, there are no free fish for lunch.

CATERERS John O'Meara, Geoff Warren and Wal Hill, having completed their apprenticeship, will have the fast food outlet on full bore today. John, Geoff and Wal are the most new faces to appear on the Committee for some years and are in a good position to spice up the dour meetings.

VICE-PRESIDENT Peter Grimes is due to be handing out cigars at any moment - stand by for the taniare.

RESURRECTING an old tradition, there will be a Ladies Night on the 6th October, 1989 at the Manly Amateur Fishing Club, starting around 7.30 p.m. This night will be subsidised by the Club and all who attended the General Meeting will vouch for the quality of the food and service there. Please make a note in your diary.
