

FLAT OUT LIKE

APRIL, 1990

WELCOME to SHEEHAN DAY. Bill was President in 1965, Baggage Man since the year dot and took on the added duties of Plant Engineer when Lance Try L.M., retired from the golfing scene to have his hips re-bushed. Becoming a Life Member in the 70's made no difference to Bill's unending quest for a hernia while working for his fellow members. Hats off to our longest serving and possibly hardest working Lizard.

THE ST. PATRICK'S match produced the following results:

LIZARDS	1 st	John O'Meara	40 points off 27 Handicap
	2 nd	Garry Bird	37 points off 22 Handicap

VISITORS	1 st	Michael Kent	38 points off 14 Handicap
	2 nd	Bernie Dickson	37 points off 18 Handicap

BEST FRONT	9	Geoff Warren	21 points
BEST BACK	9	Jim Small	19 points

NEAREST THE PINS	8 th	Bill Epps
	9 th	Bill Epps
LONGEST DRIVE	7 th	Jim Small
	5 th	Anthony Beale
PUTTING		Dave Gilchrist

RAFFLE
BRADMAN

Bill Sheehan
New Meredith 21 points off 31 Handicap.

AIRIES

Neil Shackle, Dave Gilchrist, Greg Elks
and Nifty.

NEIL SHACKLE, one of our lowest markers, made Bradman in the last issue and qualified for the airies chair for the last couple of months. The Captain has awarded him a 10% handicap increase - This may spark him back into action

TIM SMALL, a notable absentee from the winners enclosure of late, made it back into print by slogging his ball out of sight on the 7th and burning up the last 9 holes. Now that you are back in the swing - how about putting a burger under the Grizz.

THE PUTTING COMP ran into extra time. Harry Warner, Dave Gilchrist and Bill Epps holed in 1 on the first - it took another 3 holes before Dave scored his second ace to finish the event.

THE LINDENBERG KNOCKOUT, played face to face and hole for hole, was the event of the day. The competitors all started at even money and were holding the same price at the 9th - the unpredictable results were:

Geoff Warren def. Tim Small 3 and 2.

Garry Bird def. Bill Epps 4 and 2.

Harry Warner def. New Meredith 3 and 2.

Peter Grimes def. Bill Sheehan 1 up.

The draw for Tuesday:

Garry Bird vs Geoff Warren
Peter Grimes vs Harry Warner

Congratulations to the winners and the best of British to the 4 Semi-finalists.

LEN LEMON is in Queensland, enjoying his first holiday since decimal currency. He is up there for about a month, not far from the course at Sanctuary Cove. His "off the stick" score at Avalon last month was less than his age - not too many Lizards, if any, have managed this feat!

A few best scratch scores, by much younger Lizards, in bygone years:

1963/64 Alistair Campbell 68

Neil Reeves 68

Toby Webb 69

1965/66 Alistair Campbell 67

Bob Griffith 68

Gordon Donald 69

Some of us present day players are flat out to reduce our annual eclectic score to these figures.

NEXT MONTH is Andy Warner's Presidents Day and the perennial onslaught of the Curl Curl Classics Touch Football Team.

Good Golfing.....
Jelliner.
