

FLAT OUT LIKE

MAY, 1990.

WELCOME to Andrew Warner's PRESIDENT'S DAY. Andy was never one to do things by halves and hasn't changed his outlook over the past 11 months of his 12 month stint. He took over the tiller from Dave Gilchrist - who had weathered the worst of the wide spread economic malaise confronting small turnover emporiums of the era, such as ours, and had set a course toward greener pastures, well ahead of our contemporaries. Andy lost no time in preparing for fast running and ordering full ahead - the rest of the yarn is nothing but another boring success story, with the Lizards living happily ever after.

A few records were made and/or broken on the way: Dave was the first President not to present the PADDLE or hand over the LIZARD at an AGM; Andy was the first member to share the title of President of Lizards with their father; and the Club has never been in a more sound financial situation.

The AGM has had a mention for Tues., 3rd July at Manly Amateur Fishermens Club and members are requested to return all trophies no later than the June Golf day. Cost for the AGM is \$20 which covers the meal and some drinks. Rumour has it the Treasurer will be placing an undisclosed amount on the bar to quench the Lizards thirst. Those wishing to attend MUST give their details to the secretary at the June Golf meeting.

SHEEHAN DAY produced the following results:

LINDENBERG SEMI-FINAL

Peter Grimes def Harry Warner 6 and 5
Garry Bird def Geoff Warren 1 up

Congratulations to Harry for making the semis and being able to line up with our current hot shot golfers. As the results show, Peter had his best round for a while and Harry had his worst.

Congratulations to Garry Bird, present holder of the Lindenberg Trophy, in his hairline defeat of Geoff Warren - the Club's most consistent scorer. A putt on the 18th green won the match!

The AIRIES included the unlikely Neil Shackle, Greg Elks and John O'Meara and the likely Nev Meredith.

The CURL CURL CLASSICS TOUCH FOOTBALL TEAM is here today for their annual crack at the perpetual trophy. LAST YEAR Geoff Balken led regulars such as Buddah, Jed, Jock, Chippy and Tooth in the absence of usual captain Gary Dunne. The score prior to hit-off was, Classics 2, Lizards ZILCH! Fortunately, the home team scrapped in 233 to 203 to get on the board. Good luck to all and sundry today.

WAL HILL and DAVE GILCHRIST were AWOL last month - they had shot through to Queensland to mingle with the guests at Catch's nuptials. Dave may be intending to act as chaperone on the honeymoon as he made arrangements with Neil Shackle to mow his lawn for the duration of his prolonged absence. The Manly Daily has made no mention of either Catch's or Paul Hogan's wedding, so we will have to wait for any furstand gossip till our social reporters return from their sentimental sightseeing.

BACK TO THE FUTURE: On this day 20 years ago - Al. Campbell won the day with 40 Points off 6, Paul Hennessy was nearest the pin on the 17th. The AGM was set for Tuesday 4 July - a 3 course meal and some drinks @\$4. per head!

And 10 years ago -

Bill Sheehan took the prize with 47 Points off 27, Capt/Handicapper Alan Lewis was nearest the pin on 8th. The AGM was to be held 23rd June and no one had a schmick about the price at the time of publication.

NEXT MONTH is Peter Grimes' Vice-President's Day and Father and Son Day.

GOOD LUCK to Garry and Peter in their quest for the Lindenberg trophy.

GOOD GOLFING.....
