WELCOME to Peter Grimes VICE-PRESIDENT'S DAY. Peter joined the Lizards in April, 1986. On DAY 1 he was fined for arriving late, with no shoes; submitting an undated, bloodless application with bad verse; infringing the ducks on the pond rule by bringing Jessie, the blue cattle dog; feeding said duck lizard food; and being Bradman by scoring 22 points with a handicap of 25. Not the most advantageous start - the members were bemused.

Peter, these days, wears top shelf golf spikes, plays off 10 and has his name on all the major trophies. A family man with roses around the front gate, he is the current Lizard show piece - and the same members are chuff-chuffing about their sagacious choice of such a fine young fellow!

PRESIDENT'S DAY produced the following results:

AIRIES: There being no Lite beer available, it was decided to forego the ceremony - however Nifty carried on with the tradition by singing the Airies theme and drinking a downer of BEETROOT JUICE.

THE LINDENBERG FINAL, a match between title holder Garry Bird and contender Peter Grimes, went to Peter - 4 and 3. Congratulations Peter and a 'well done' to Garry for going so close to working his way through the grueling Knock-out comp., two years in a row.

THE MANLY DAILY made mention, this month, of the anniversary of the death of Aub Lindenberg - donor of our annual trophy.

FATHER AND SON DAY - the last item on the 1989/90 Lizard menu - will be under weigh as soon as President Andy and his ex Pres., father Harry can get the anchor up. Jim Small and the Grizz are usually up with the front runners on the last lap. We miss our octogenarian member, Tony Webb, who won the event a couple of times, partnered by his grandson.

CATCH, the Club's most eligible bachelor, lost his eligibility when he met the delectable Pat from California. They were married in Brisbane in a garden ceremony at the famous "Inn in the Park". Rocky, alias Ross Paine, was best man, Dave Gilchrist, M.C., and Wall Hill acted as umpire. Catch is reported to have cashed in his suitcase and is revelling in the luxury of having a permanent address.

DAVE GILCHRIST has a permanent address but still finds time to be out and about. His most recent venture was to participate in the "Bourke to Burnie Bash". Piloting a Model A Ford, in a field of about 158 other velocipedes, he completed the course, in one piece, and steamed across the line ahead of at least 8 other cars. The Bash raised over \$1m. for charity. Good on you David!

MARK MAC MILLAN, looking fit and prosperous, dropped in last month after the game. His weekends of late have been spent on his new pride and joy - a 28 foot Bertram with twin 145 H.P. diesels and rigged for game fishing! Maybe he will turn up with a 20kg slab of tuna for us one of these days.

APPLICATIONS FOR MEMBERSHIP from well known visitors, Michael Kent and Anthony Beale, eventually seeped through the system and lobbed on the President's heap of paper work last month. They had no problems passing the 'Aye' test and were doing a circuit of the Shed when they ran into a drop of trouble from Alan Lewis, who was testing the greenkeepers hose. Welcome, Michael and Anthony - we wish you a long and happy association with the Lizards.

THE AGM will be conducted at the Manly Amateur Fishermen's Club, 270-279 Pittwater Road, Manly, on Tuesday 3rd July at 7.00pm. There will be an unpleen course meal and a reasonable supply of drinks. Cost - \$20, playing visitors are welcome. More info, at today's meeting.
