WELCOME to PETER GRIMES - 45th President of the Lizards Golf Club! Peter had filled the roles of Caterer, Captain-Handicapper and Vice President before lowering the blunt of his back into the Presidential chair. In the course of his accession to the throne his golf handicap has diminished from 27 to 9. Congratulations to our new President.

Today is EPPS/MEREDITH DAY. Nev Meredith is Club Secretary and Asst., Caterer - Bill Epps is Editor. The venue, menu, table and drink service at the AGM was a first class example of Nev's organisational skill.

PETER GRIMES' VICE-PRESIDENTS' DAY produced the following results:

Lizards 1st	Andy Warner	45 Points off 17 Handicaps
2nd	Anthony Beale	41 Points off 21 Handicap
Visitors 1st	Alan Fender	33 Points off 25 Handicap
Father & Son Trophy	Harry and Andy Warner	81 Points
Best Front 9	Wal Hill	21 Points
Best Back 9	Greg Elks	21 Points
Nearest the Pin 1st	Ken Bond	
2nd shot 7th	Graham Atkinson	
2nd shot 14th	Ken Bond	
Longest Drive 11th	Geoff Warren	
Bradman	Garry Bird	20 Points off 22 Handicap

The Annual Father and Son Trophy was swept from the shelf by Harold and Andrew with a combined score of 9 under. Harry went around in par and Andy birdied every second hole! A commendable family effort.

ALLO, ALLO! Wal Hill, with an unblemished average of 22 points per round, achieved the impossible by carding 21 points - 3 under par - for the first 9 holes! This phenomena fused the Captain/Handicapper's silicon chip, whereupon the said Captain Garry was assisted from the 18th green, still smelling of molten silica, after amassing his personal worst of 20 points - to fill the temporary Bradman vacancy. Good on you Wal. What else could one say - I am not well up in divine intervention.

ANTHONY BEALE, still damp behind the member's name badge, was prominent in the short winners queue on day one!

THE 1990 AGM was conducted at the Manly Fishing and Sporting Assn., Club Premises on Tuesday, 3rd July. Pre-dinner drinks, dinner and the meeting were enjoyed in "privacy" of the dining room. Club Secretary, Fifty, by means best known to himself, arranged the exclusive use; possibly by advising his fellow Fishermen's Club members to eat elsewhere on the night. The only other patrons in the emporium was a table of about 20 notables, all with some association with the Steyne Hotel - that was cool because Leon List, Lizards founder, was licensee of the Steyne and transformed his close mates into foundation Lizards in the Cellarette of that very pub.

Pres. Andy Warner opened the meeting in a most relaxed manner - just coasting in on the wave of success he had generated in 1989/90.

APOLOGIES included Bill Wixson, President of the Fishermen's Club, Lance Try L.M., who, through a temp., illness, was to miss his first AGM since the Club's inception in 1946, and Len Le Mon, Ex-President and original Club Croupier, for the same reason.

TREASURER Gordon Donald L.M., did not have to say much, in light of the published financial statement, showing over a grand in the can.

CAPTAIN-HANDICAPPER and PRINTER, Garry Bird, tabled the second edition of his AGM Journal - a compendium of history, golf results, finance etc., Ex-Pres., Dave Gilchrist described the handbook as "A Brilliant report: BHP would be proud of it." Garry presented the 8 gleaming trophies.

BILL SHEEHAN L.M., etc., in the absence of Lance Try, was proclaimed Returning Officer for the election of officers by the laid back and almost Immediate Past President Andy. Bill, not expecting the M.I.D., confiscated Gordon Donald's reading glasses and flew into action. When the dust settled we found ourselves in the hands of the following office bearers.

PRESIDENT	Peter Grimes
VICE-PRESIDENT	John O'Meara
SECRETARY	Nev. Meredith
TREASURER	Gordon Donald L.M.
CAPT/HANDICAPPER	Garry Bird
ASST. HANDICAPPER	Geoff Warren
CATERER	Harry Warner
PLANT ENG./BAGGAGEMAN	Bill Sheehan L.M.
EDITOR	Bill Epps L.M.

BEFORE the new regime mustered themselves, the I.P.P., Andy Warner, in his penultimate duty presented the PADDLE to the deserving Dave Gilchrist and then bestowed the LIZARD into the safe keeping of President Peter Grimes.

THE REST is a blur - apart from the knowledge that both the PADDLE and the LIZARD proceeded to "go missing" before the end of the memorable evening.

GOOD GOLFING.....

EDITOR.
