

FLAT OUT LIKE

FEBRUARY, 1991.

WELCOME to FOUNDATION/LIFE MEMBERS DAY. The Lizards Golf Club is enjoying its 45th year, having been founded in the Steyne "Cellarette" by Leon List, Mine Host of the Hotel, and a small band of local enthusiasts, in 1946. Leon, known colloquially as The Lizard, was the Club's inaugural President and later became the first Life Member. Life Membership was subsequently bestowed on Col McClelland, Lance Try, Bill Sheehan, George Russell, Gordon Donald, Paul Hennessy Snr., and Bill Epps.

THE CLUB had its ups and downs. Around 1964 the membership was down to as many digits as on one hand. Col McClelland inserted the crank handle, Lance Try added a squirt of fuel - they achieved a sooty backfire, a few rumbles, whereupon the sole case of the 20 year old, 5 cylinder, relic began to stir. Bill Sheehan, was President in 1965, caused the first issue of "Flat Out Like" and otherwise gave the whole shooting match, a reefe in the right direction. It seems to have worked - thanks fellers!

DONORS TODAY will be L.Ms. Sheehan, Donald and Epps.

DAWSON CARROLL DAY produced the following results:

VICE-PRES., John O'Meara managed to keep his nose ahead of Michael Kent to take the trophy and bolster his annual Championship Points score by 14. In opening his 1991 account, John is out to equal his win and 2 seconds last year.

MICHAEL KENT, with 2 wins in rapid succession as a visitor, lined up with the winners for the first time since becoming a member in May.

Visitor, Darren Devine, has been giving it a nudge - 2 seconds in a row, with 41 off 34 and 40 off 31.

JOHN BEALE first came to notice last September, when he won the Visitors the same day as his son Anthony won the Lizards trophy. He came into the limelight again last month when he was voted in as a member. Congratulations John, we hope you have a long and happy association with the Lizards.

FINES: Some of them were -

Anthony Beale	arriving at the course with naked feet,
John and Anthony Beale	laundering \$50 bills to pay green fees,
Anthony Beale	jettisoning his footwear again at the 19th.

THE LINDENBERG K.O. COMP. will be launched today, to wend its perilous course through the mines and yaws, till the 2 survivors meet phase to phase in June. Good luck to all who assail in it.

NEXT MONTH we will be teeing off on St. Patricks day - for only the 7th time since the Club was founded. On this occasion it will be Jim Small's Day - a new donor on the "hard to get a spot" fixture card. Well done Jim. Jim doesn't miss many games - he flys down from Ourimbah each month, in his car - its quicker.

Good Golfing.....
