

FLAT OUT LIKE

MARCH 1991

WELCOME TO JIM SMALL DAY. Jim appeared at Lizards, as a visitor, in the spring of '87 and was pounding out scores of 24 points off 36 with 44 putts. He managed a second prize with 35 off 36 on his third attempt and, with Grizz, became a Lizard backbencher the same day - 15 Nov '87. The F.O.L. had this to say "Both aspirants read their applications for membership to an empty paddock, the bemused members cringing behind any available cover. The President, However, was attuned more to their wealth, rather than any moral values, and had them signed up before the voting masses slowly retraced their haste from the scrub." A lot has flowed under the back teeth since then - Jim has more than halved his handicap and is usually among the first 5 past the post in any of the annual Lizard competitions. Have a good day jim!

ST. PATRICKS DAY, the perennial playup day, celebrated more in Australla and the USA than the Emerald Isle, has come around again and lobbed on our 3rd Sunday. Bill Sheehan, our longstanding member of Hibernian heritage, is unlikely to have provided any Guinness for the occasion.

FOUNDATION/LIFE MEMBERS DAY prouduced the following results:

	2nd	Neil Shackle	40 Points off 11 Handicap

COUNTRY MEMBER Ray Walsham, who is back in town, won the visitors in January with 41 off 22, applied for his membership again. He then knocked off the Lizards trophy last month with 46 off 20! Congratulations- if you can keep it up you should give the Lindenberg a good shake.

VISITOR, Tony Bradley, buit more along the lines of a giant killer rather than a giant, must have finished his round about 4 over the card! - he demolished the downer with the same ease as he displayed around the course.

ENZO TOPPANO, well known muso and member of Avondale G.C. had little to no succes on the front nine, however a hot dog and a beer, at the halfway mark, seemed to do wonders, whereupon he. and Dawson, ripped a lottery ticket off Vice Pres. John O'Meara and L.M. Bill Epps. Enzo was fined for remarking on the first tee that it would "rain all day"!

WALL HILL lead the fashion stakes with a cane "pith"
Helmet complete with solar powered personal fan, plus
storage battery for dull days

PATT PURCELL was eye catching in his ~~UNITED~~ ^{UNITED} AIRWAYS shirt

GEOFF WARREN was fined for clobbering a ball through
Vicki's window, while it was closed, even though it was
only a "seven iron"!

DAVID DUNWORTH'S application for membership eventually
levitated from under the lid of the too hard bucket-
it was an approved stationary, butcher's paper, but
there was no resemblance of blood. On a small sticker,
on the back of the ageing, yellow stained document
indicated the paper had been used to shroud bacon rashers
to the value of \$3.42. The salty feel and acrid aroma
of the handwritten debris confirmed it's previous use.
The President resolved the matter with a dash of speed,
after the members resumed their seats, mainly because
it was the last item on the agenda and was cutting
into drinking time. Congratulations David, we hope your
association with the Lizards will be a long and eventful
one.

THE LINDENBERG K.O. COMPETITION qualifiers will be set
forth on their hazardous course today. The rounds will be
Played as matchplay (stableford points per hole).

The qualifiers were:

Ray Walsham vs. Bill Epps
Neil Shackle vs. Michael Kent
Garry Bird vs. Peter Grimes
Geoff Warren vs. Jim Small

We wish them well in their quest for the elusive trophy.
Peter Grimes, President, is the current holder.
