JULY 1991

WELCOME TO GARRY BIRD in his new role - 46th President of the Lizards Golf Club! Garry won the Visitors Trophy with 40 pts. in January, 1987, and joined the club the same day. He was voted in as Caterer for 87/88, then took over as Assistant Handicapper for 12 months. For the past 2 years he kept us on course as Captain, Handicapper and Club printer - a Formula 1 track record. His comprehensive AGM booklets are best sellers. Congratulations Garry.

EPSS/MEREDITH DAY - with a bottle of White Heather at stake - presents an opportunity to extol the organisational capacity of Club Secretary Nev Meredith - the exclusive use of the Manly Fishing and Sporting Assn., dining room, the cuisine and number of staff attending the President, special guest, members and visitors at the recent AGM, as well as other minor miracles he manages to pluck from his straw hat during the year are worthy of a M.I.D. Neither Nifty, nor his erst-while cohort, had much trouble in retaining their elected positions.

JOHN O'MEARA'S VICE-PRESIDENTS DAY produced the following results;

LIZARDS 1st. Bill Epps 40 Points off 15 Handicap
LIZARDS 2nd. Dave Dunnworth 40 Points off 29 Handicap
(countback)

FINES, some of them were,

Cook's Labourer,

Gordon Donald. - Buttering the bread on both sides;

Pres. Peter Grimes- Stamping on an opponents ball, with intent,
during a critical part of the game;

Shaun Gilchrist - Scoring his first ever birdie;

Garry Bird - Being Handicapper for 2 years and not
winning anything;

Dave Dunnworth - Stating "If I attend the Lizards AGM
I will miss the Simpsons on TV."

DAVE relented and attended the 45th. AGM, held in the Manly Fishermans and Sports Assn., Club on Tues., 9th July.

THE PRESIDENT, Peter Grimes, opened the meeting at 7.30pm., welcomed special guest, twice President and Life Member, Lance Try, and tendered an apology from Keith Day, Secretary Manager, MFSA. During his summary he was mindful of the goodfellowship shared with Harry Thurston and Dave Treharne, both recently deceased.

GORDON DONALD L.M., gave his financially healthy Treasurers report and reminded the members of the \$10 annual subs., falling due as from Sunday 21st. July, at Avalon.

SECRETARY, Nev Meredith, rendered some excerpts from the previous years minutes and sat down to enjoy the remainder of the evening.

CAPTAIN, Garry Bird, gave his report and, with some assistance from Lance Try, presented the annual trophies. This year he withheld the distribution of his annual booklet, which depicts every members golfing endeavours for the previous 12 months, till after the trophies were awarded - which enhanced the surprise for at least 6 of the 9 events.

THREE RECIPIENTS, viz., Nev Meredith, Handicap Eclectic; Jim Small, Hic-cap and Harry Warner, Wooden Eye Trophy, were most moved. Nifty was so elated he had to be leg-roped and led back to his box.

LANCE TRY, being the only likely returning officer within orbit, was sworn in and the following office bearers for 1991/92 emerged;

President	GARRY BIRD
Vice-President	JIM SMALL
Secretary	NEV MEREDITH
Treasurer	GORDON DONALD L.M.
Captn/Handicapper	GEOFF WARREN
Asst./Handicapper	MICHAEL KENT
Chef-Caterers	JOHN & ANTHONY BEALE
Baggage man	BILL SHEEHAN L.M.
Editor	BILL EPPS L.M.

THE OUTGOING PRESIDENT, with only 2 shots left in his larder presented the exclusive paddle to Editor, Bill Epps, and, to round off his fruitful year, bestowed the Lizard into the tender care of Garry Bird.

CONGRATULATIONS to the new and not so new faces on the Committee and special thanks to Harry Warner who came out of retirement to do a masterly job of keeping the Lizards well fed for the past 12 Months and to Greg Elks for his timely donation of a trophy eminently suitable for the annual Father and Son event.

Good Golfing
