AUGUST 1991

WELCOME TO LE MON/DELLA DAY. Len should be back on his feet and playing at Avalon for the first time since February. He had his legs replenished at Manly Hospital in the interim, and is keen to knock the dust off his club. Len and Tony have come up with a bottle of Scotch for the Lizard Trophy and Tony has thrown in a drop of Port for the best scratch score, as well as a couple of balls for each of the 1st. and 2nd. nines. Len won their scratch trophy in '89 and tied with Tony for the same prize in '88 - with 27pts! Good Luck to both this year.

EPPS/MEREDITH DAY produced the following results;

1st. LIZARDS Dave Dunnworth 37pts. off 27 Handicap
2nd. LIZARDS John O'Meara 37pts. off 22 Handicap
on a countback

1st. VISITORS Harry Archer 39pts. off 30 Handicap
2nd. VISITORS Michael Harrison 36pts. off 7 Handicap
Best Scratch Michael Harrison 29 pts.

Nearest the Pins 1st. Harry Warner
8th. Peter Grimes
13th. Tony Della

Longest Drive 7th. Andy Warner
Bradman Paul Hulme 19pts. off 27 Handicap

DAVE DUNNORTH, beaten in a countback with 40 pts. the previous month, managed to break through, in another photo finish, to win his first members trophy.

VISITOR, Michael Harrison's scratch score of 29 points was pretty to watch - specially with the championship speed greens. Awarded a downer for his achievement, he slurped it prematurely and was given an instant replacement - which he demolished on cue.

PAUL HULME was not inclined to rush into the "Treharne" Bradman pewter and sipped it leisurely up the fence.

THE AIRES included Neil Shackle, the Warner Bros., Wall Hill and the ever present Nifty. By the time the conductor set himself to launch the choir into the key of "C", they had rendered their version of Three Blind Mice, and resumed their seats.

BEALES ON MEALS, the new caterers, provided unexploded bangers and cold meats etc., at the 9th. and the first knife and fork spread at the 18th in fading memory - chops, sausages, potatoes, salad and an array of mustard and sauces in the correct bottles. Well done John and Anthony.

IMMEDIATE PAST PRESIDENT, Peter Grimes, enjoyed a relaxing day ruminating in the sun with the members and visitors.

PRESIDENT, Garry Bird gave an early warning of a Lizard Family Picnic, on the first Sunday in December.

FINES, some of them were;

Ray Walsham	paying fees with a \$100 note
Gordon Donald	spreading the black table cloth were the brown table cloth should be, and vice versa.
John Beale	scoring a birdie which netted him 5 points
Harry Warner	having a 5 putt green
Andy Warner	propelling a divot onto the green, without moving the ball
Peter Grimes	suggesting the caterers should be fined for providing clean cutlery, and approaching the shed, after his round, while speaking in his mobile phone.

BILL SHEEHAN and Bill Epps spent a health day at the "City to Surf" last Sunday - sipping coldies - while their families joined in the stampede from William Street to the Porta Loos at Bondi. Armed with Medals for finishing, and blisters for effort, the athletic sortie arrived home in time for a relaxing Radox enema, prior to enjoying a T.V. replay of the day's mayhem.

A GROUP, as numerous as the Lizards, will be teeing off at Avalon at 8.00 am. this morning.

THE RECENT WEATHER will have dried the course, hence long putts on the 4th. will be very interesting and holding a drive on the 5th. fairway could require a knowledge of levitation.
