SEPTEMBER 1991

WELCOME TO WARNERS' DAY. Harry and Andrew were Assistant Croupiers back in 1982 and 1983, then Croupier and Assistant in 84 - the same year as Andy won the Paddle. In 85 Andy took over as Captain - Handicapper, before giving the Catering a whorle in 86 - the same year Harry was President. Andy made the Presidency in 89. Harry came out of retirement in '90 to fill the catering role - a job he had done some years before.

As recent as last months meeting the irrepressible pair were still conspiring to do something for the benefit of the club. On this occasion they sat at opposite ends of the trestle stool, to obtain a better view of the Presidential entertainment, when, commencing with a gentle creak of timber and ending with a crash reminiscent of the Hydrofoil hitting the members stand at Randwick, the second row of the audience was annihilated - much to the amusement of the members and visitors.

The President, showing some compassion, had a tear in his eye and one unconfirmed report suggested he had wet himself.

Andy bounced back to his feet, followed by a bemused Neil Shackle. Bill Epps took longer, as his foot was guillotined to the stoney deck, and Harry wasn't going anywhere because Bill was using him as a mattress. Good luck to the innovative double on this their Donors Day.

LE MON/DELLA DAY produced the following results;

2nd. LIZARDS	Jim Small	34 Pts. off 18 Handicap

LEN LE MON welcomed the visitors and co-donor Tony Della presented the many and varied prizes. As tipped in the last month's F.O.L., Tony won the donors trophy- a bottle of Hardy's Tall Ships Port - for the best scratch score. He was kind enough

to recycle it, unused, for the raffle. Tony missed out on providing one trophy- he had not foreseen the hole in one! However, the exponent of the golfing feat won the raffle and sailed off with the tall ships!

JOHN BEALE, one of the clubs new and hardworking committeemen, cracked it for the hole in one on the uphill 8th. with the undulating green. Players, who are lucky to make the green in one, are relieved when they can knock it in for three. John overcame the putting problems with his ace- his first at Avalon, or any other course! The offending ball will be mounted and presented on a date to be remembered. Congratulations John.

BILL SHEEHAN, still feeling the pinch from his recent trip to hospital, carded a mind boggling 41 pointer to win the day. In one set of 5 holes he had all birdies, except for one eagle. At the presentation, while draining his blood to his knees by holding the trophy aloft, he stated it was his first grand slam since Jimmy Connors and Martina Navratilova were being wheeled around in prams. Good on you Will!

LEN LE MON, playing his first game at Avalon since his visit to hospital, scored a battling 22 Points and conducted the Airies. They included the unlikely Andy Warner, Geoff Warren and Dave Gilchrist and the likely Nifty.

MICHAEL KENT was seen, at the end of the day, making off with the debris of the trestle stool. He could be keeping it as a relic; using it for garden stakes; or intending to refurbish it. If it is the latter, he will need experience in 2000 piece jigsaw puzzles, as it resembled a faggot of toothpicks. Michael put half of it in his golf bag, with his clubs, and the rest in his pockets.

THE PIZZARDS LICNIC will be held on Sunday 1st. December at the Queenscliff Lagoon Park. From information barked at the August committee meeting, it is shaping up to be a classy family affair. Watch these slips for further information.

GOOD GOLFING
