MERRY CHRISTMAS and a PROSPEROUS NEW YEAR TO ALL

WELCOME to Dawson Carroll on his CHRISTMAS CARROLL DAY. Dawson has been migrating with the swallows from the hiberna! Lat 53N. to sunny Avalon - for a round of golf - since the late 80's. It didn't take him long to find the Lizards and become our first overseas member. He donated his annual trophy in 1989; John O'Meara cracked onto it, on a countback from Jim Small: next year Mark MacMillan won it on a countback from Geoff Warren and last Christmas John O'Meara was first past the post again, on a countback from Michael Kent, with the Grizz, having scored a hole-in-one on the 17th., not far behind.

THE GLEAMING POT is up for adoption today and looking forward to gracing a suitable mantel piece or bar till next summer. Nice to see you again Dawson - the odds of winning the cup yourself are about 6 to 1, so give it your best shot.

THURSTON/GILCHRIST DAY attracted 20 members and 8 visitors and produced the following results;

LIZARDS 1st. Harry McGuinness 43 Pts. off 33 Handicap
LIZARDS 2nd. Dave Raynor 39 Pts. off 23 Handicap

VISITORS 1st. Martin McGuinness 45 Pts. off 36 Handicap
VISITORS 2nd. Michael Harrison 43 Pts. off 7 Handicap

Nearest the Pins 2nd. on the 5th. Greg Elks
2nd. on the 7th. A. Skinner
8th hole. Michael Harrison

Longest Drive 2nd. Hole Michael Kent

Bradman Mark McLaughlin 23 Pts. off 36 Handicap

HARRY MCGUINNESS bent the spring in the visitors' scales with a 45 pointer - just managing to come in ahead of Michael Harrison

MICHAEL HARRISON'S previous best was 36 Pts. off 7 in July, but last month he put together a brilliant round of seven under his handicap for 43 points. To do this, all he had to do was PAR THE COURSE - and he did! Congratulations Michael, you are possibly the first player in the 45 years of Lizard history to par the course off the bat.

THE LIZARDS PICNIC, down at the lugger on Sunday the 1st, was voted a raging success. We had Santa, a megalosaurus of Lizard children, presents, ice creams, drinks, a good tent, gas B.B.Q. and the prime spot. President Garry Bird and his committee were worthy of a downer - our special thanks to Nev Meredith, our knowledgeable and capable Secretary, who arranged the site and provided the accomodation stores.

LEN LE MON'S delinquent leg is on the slow road to recovery, he hopes to make it out to Avalon this morning for a 9 hole workout.

BILL EPPS is back from his jaunt to Orange, having played in the Taxi Golf Assns., N.S.W. Championships. He managed an equal second in his division - and is looking forward to a relaxing round on his home course.

TODAY is Bring a Gift - Receive a Gift. If any member or visitor has arrived naked handed, they can nip up to the Club House to make a purchase - the Treasurer, Gordon Donald, has some Christmas wrapping paper. Place your gift on the heap and Santa will dish them out after the game.
