

FLAT OUT LIKE

MARCH 1992

Welcome to JIM SMALL DAY. It's his second bash as trophy donor, being a keen member and unpaid victualler, however, his well known face reappears on the menu in June - in his more recent role as Jim Small, Vice - President. Revelling in an unobserved weekly practice at Royal Avalon, he drops in for 9 holes on his way to work. Not bad for an enthusiast, living in Ourimbah, who starts work in the Warringah Shire before 0800 hours! Good on you Jim, you spread yourself to better advantage than most of us can scatter Dynamic Lifter.

LIFE MEMBERS'/FOUNDATION DAY produced the following results;

LIZARDS 1st. Nev Meredith 48 Points off 36 Hcp.

LIZARDS 2nd. Ken Bond 43 Points off 9 Hcp.
on a countback from John Beale

NIFTY had his first taste of success for 12 months in January, when he picked up second prize - one point short of Dave Raynor. Last month, with borrowed clubs, he went for the whole ham bone, scoring an unassailable 48 points! He is considering retaining the returnable hardware - and, with his reduced handicap, will need them. He scored 7 three pointers and 4 four pointers - wow!

KEN BOND played a near par round to be beaten by 5 points, then had to live through some form of photo-finish process to be deemed to be second.

THE VISITORS were cool, only 3 and 4 under par. On casual observation, that Ross Smyth seems to have more up his sleeve than the normal B.O.

JOHN BEALE, our beloved caterer, played a magnificent round of golf, on the wrong day.

THE THREE LIFE MEMBERS present, Bill Sheehan, Gordon Donald and Bill Epps, welcomed the visitors. Ross Smyth responded in equally brief terms.

THE LINDENBERG K.O. COMP was launched - the successful contenders to play today, are

Nev Meredith vs. John O'Meara
John Beale vs. Harry McGuinness
Ken Bond vs. Neil Shackle
Chris Regenass vs. Dan Whitehead
Jim Small vs. Michael Kent
Dave Raynor vs. Wall Hill
Bill Epps vs. Graham Byrce
Andy Warner vs. Geoff Warren

Reserves; Anthony Beale, Harry Warner and Dave Gilchrist

GOOD LUCK to all players - the Tea Lady was not available for any early predictions, but suggested we have 50 cents each way on the reserves!

JIM SMALL, after an arduous round, and in the face of a raw meal, caused the caterers L.P. Gasbottle to give vent to extreme heat under the dormant hot plate. If Jim can breath life into a Formula !, it would be disapointing if he could'nt burn a few steaks. Thank you Sir, that's one of the reasons you are Vice - President.

NEXT MONTH is NEIL SHACKLE DAY, May the saints preserve us. However, as owner of so much discarded high tech. golf weaponry he may donate a Balata ball with his very own mark ventilating the inner core.

Good Golfing
