AGM 7/7/1992 The Fisho's Club

MAY 1992

WELCOME TO GARRY BIRD'S PRESIDENTS DAY. Garry was admitted to the ranks of Lizard membership in 1987 - due to his eagerness to undertake any position on the committee - except cook. In a unanimous inundation of votes at the AGM, the following month, he was elected Chef-Caterer.

Untruffled by his lack of seasoning in the art, he soon had the members inviting visitors to Avalon for lunch - with a game of golf thrown in. They enjoyed the cuisine, but some were floundering when it came to scoring 36 points

With this in mind, Garry became the Assistant Handicapper the following year. Having made a good fist of the numbers racket, he was elected Club Captain and Handicapper, an exacting job, which he held for 2 years!

During this period his publishing prowess hit the fore and he produced the 1989,90 and 91 Lizard Record Books - which are snapped off the stands at the AGM's

Garry occupies himself these days enjoying the influx of potential committee men; planning end of year functions; spending more money on the club than was available in the past; keeping an eye on the healthy bank balance and preparing the 1992 Lizards Book

Congratulations and a vote of thanks for a most successful year of Presidency.

THE LINDENBERG SEMI - FINAL DRAW;

ANDY WARNER vs. HARRY McGUINNESS
JIM SMALL vs. KEN BOND

GOOD LUCK GUYS!

JIM SMALL, winner of the Neil Shackle Trophy, had not been first past the post in a monthly competition for 17 months. His timely win put his nose in front of Anthony Beale, Dave Raynor and Dave Dunworth in the race to the wire for the Club Championship Trophy. If Jim can make it to the course next month and finish in 4th. place or better, he will be hard to beat for the annual trophy.

WELCOME TO THE CURL CURL CLASSICS. The Classics are here for their annual bash with the Lizards for a hard to find trophy. Once an athletic band of touch footballers, they are currently listed in the register under the Marching and/ or Drinking heading. This escalation in social standing, with a lesser incidence of burst hambones, may have improved their golf. Good luck Classics. Last year the Lizards won 243 Points to 210

NEXT MONTH is the last track on the Lizards CD for 1991/92. IT is Vice Presidents Day, Father and Son Day and the final of the Lindenberg shoot out. See you there!

MICHAEL MORGAN, in his quest for Lizard membership endured an Entree of raw onions and steak, a Main of shed laps with a Desert of refreshing Avalon waters. Given his application and dedication to the task at hand, he was accepted by the club as a new member last month. Congratulations Michael!

GOOD GOLFING
