

FLAT OUT LIKE

SEPTEMBER 1992

WELCOME to the Lizards Spring Carnival, hosted by HARRY and ANDY WARNER, both ex-Presidents and currently among the Club's most eager members. Andy felt so duty bound to be with us on the first tee last month, he gave up his opportunity to make a niche for himself in the wall of fame by withdrawing from a suicidal City to Surf Fun Run! For this sacrifice, he was awarded a rare Double Credit fine at the afternoon meeting, by the Chief Dobber.

THE WARNER TROPHY seems to spur the Grizz to greater deeds—runner up in 1990 and winner last year, he will be flat out to do a Stefan Edberg, and retain the title.

LE MON/DELLA DAY, with 21 Lizards and 8 visitors, produced the following results;

LIZARDS 1st. Dave Gilchrist 41 Pts. off 19 Hcp.
LIZARDS 2nd. Chris Regenass 38 Pts. off 23 Hcp.
VISITORS 1st. Bruce Chapman 36 Pts. off 32 Hcp.
VISITORS 2nd. Ian Simpson 33 Pts. off 36 Hcp.
BEST SCRATCH SCORE Ken Bond 24 Points
BEST FRONT NINE John O'Meara 18 Pts. off 24 Hcp.
BEST BACK NINE Grizz 19 Pts. off 22 Hcp.
NEAREST THE PINS 1st. Ken Bond 3rd Neil Shackle
5th. Dave Dunworth
LONGEST DRIVE 6th. Dave Dunworth
BRADMAN Wal Hill 20 points off 36 Handicap
RAFFLE Anthony Beale and Wal Hill

DAVE GILCHRIST beat Greg Norman to the punch by winning his first "major" for 2 years, in July, with 41 points off 19. He backed up last month, with a repeat 41 off 19, and knocked off the LE MON/DELLA trophy. Congratulations Dave! The Captain-Handicapper was fined, subsequently, for slow penmanship.

CATERER, DAVE DUNWORTH, has been belabouring the fact that he has not a Lizards glass during his association with the Club, either as a visitor, member or committeeman. His misfortune, due to his inability to hit one of those flookey shots which brings the player's ball to rest nearest the prescribed pin, must be causing him to do his domestic tippling from a tin mug.

HOWEVER, the fickle finger faltered in his favour on the fifth last month, permitting Dave to achieve his golfing ambition.

FIREd with the 'cop that, you bunch of Charlies' feeling he strode to the par 4 sixth and, without preamble, slogged his tee shot closest to the pin again. This feat earned him the longest drive and a matching monogrammed glass. Good on you Dave - you can relax now, devoting your time to the more serious side of your game - by cooking the Lizards lunches.

THE AIRIES included Dave Gilchrist, Pat Purcell, Andy Warner, Harry and Martin McGuinness, Wal Hill and Nifty. The Club Secretary and Chief Dobber had their air swings on the putting green. In the absence of a conductor, the choir sang 'Three Blind Mice'.

ALAN LEWIS attended the prize giving ceremony, following the days play, armed with a high velocity, water firing, sub-machine gun, which was having a dampening effect on the audience. John O'Meara put a sodden end to the dribbling distractions by lobbing the sniper, full frontal, with the greenkeepers 25m.m. fairway flooders. The method was most effective- the United Nations have them on the drawing board for use overseas.

PRESIDENT JIM SMALL, dealing from the top of his waste paper basket, eventually came to an application for membership from habitual visitor Max Peet. The applicant was mentioned in the sporting section of the FOL when he scored a visitors prize, with 44 Points last October, but has managed a commendable trophy free existence over the past 11 months. With this in mind, the President wasted little time in dubbing the aspirant and issued him with a sample bag of accoutrements. Congratulations Max- we hope you have a long and fruitfull association with the Lizards.

QUEENSLAND member, Greg Elks, an inmate of 'Underwater World', was noted by a Lizard, last month, being put through his paces by 2 seals. The seals, through a system of body language, have cued Greg to toss fish into their unerring jaws. They have him trained to a high degree(91%) of profishency- but are still working on it. They plan to overcome the 9% shortfall of drop shorts, wides and highflyers before the tourist season hits its peak and the seals start charging to see Greg at work.

The LEWIS/GRIMES TRADEDAY is on next month - see you there,

GOOD GOLFING
