NOVEMBER 1992

WELCOME TO THURSTON/GILCHRIST DAY.- a duo of ex Pressos who have been on the fixture card since 1989. The unforgettable Harry Thurston is still with us in spirit. He made our gas bar-beque, provided the gold Lizards we wear, was a long term caterer and generally, with his unassuming reliability, was a Lizards among Lizards. Dave enjoyed his retirement from Lizard officialdom and is a constant contender for the Paddle. With Len Le Mon, he is co-donor of the Hic-Cup - a 39cm. silver trophy which goes to the player with the highest aggregate of stableford points for Oct.-Nov.-Dec., each year. Nev Meredith was the first winner in 1983

JOHN BEALE scored his first monthly trophy since becoming a Lizard 2 years ago. His only previous mention in dispatches was when he won the Father and Son event, with son Anthony in June 1991. In presenting the Lewis/Grimes trophy, the donor reminded the also rans of the winner being the Captain/Handicappers father, whereupon he was given a pint downer as penance - which he decided to sip at leisure, leaning on the back fence.

CHRIS MOONEY, not to be outdone, broke his duck as a member, to take a second place.

BILL SHEEHAN, by virtue of his success on the front 9, was also issued with a pint downer. Following the "Here's to Bill," He's true blue bit- instead of wrestling with the hefty drink he gazed into the abyss and quoted the famous A.V Jennings line " It makes me a proud old golfer " and then demolished the pint.

MICHAEL MORGAN had a faultless round scoring 21 points each nine. Fortunately, he picked up something on the back nine. His healthy 42 Points missed the boat for the donors' prize.

HARRY McGUINNESS went close to an ace in scoring his nearest the pin on the 9th. The ball nudged the pin but avoided the cup by a Gnats whisker.

THE LAST NAME on the long drive marker was that of Len Le Mon, who was at home, on the sick list/! Len is improving and hoping to get back into the swing of things via the driving range and a couple of rounds of nine on a flat course. It's his, and Bill Sheehan's, birthday this month. Happy Birthday to both.

THE PRESIDENT, Jim Small, will start the countdown for the second Lizards Family Picnic to be held at Queenscliff Lagoon Park on Sunday 6th. December, and be keen to get some gen on the number of children, plus their owners and trainers, who will be attending. Club Secretary, Nifty, will take your details. The bash last year was a ripper and this one is shaping to be bigger and better - see you there.

NEXT MONTH is Christmas Carroll Day - the day to Bring a Gift and Receive a Gift.
