HAPPY CHRISTMAS and a PROSPEROUS NEW YEAR to ALL.

WELCOME to CAPTAIN/HANDICAPPERS' DAY, Captain Anthony Beale bought his day forward to give overseas member, Dawson Carroll, another shot at winning his own annual trophy "the Christmas Carroll Cup" - in January.

Dawson is on his way from Ireland, via Florida, but will not be settling down, on the runway at Mascot, till a couple of days after Boxing Day.

RAFFLES John Beale and Grizz

CHRIS REGENASS, toting a 44, made a clean get-away with the monthly trophy - his first since becoming a Lizard in Sept., 91. Prior to joining, he had relieved the Captain of 4 visitors trophies in 6 months. Congratulations - and good luck with your new handicap.

JOHN O'MEARA'S healthy 42 was a sign of the times; his golf usually peaks in the summer months - particularly when the Dawson Carroll trophy comes into orbit.

BRIAN SOUTHALL and JOHN MARTIN, both playing off 24, made no waves. They knocked off the visitors bait, with permissible scores, and survived the day without a fine - amazing. Come again fella's, we need you.

VISITOR JED LINDLEY, seconded to be the Immediate Past President's seeing eye minder for the day, couldn't put a foot right. He was fined for paying Garry's golf fees, when it was obvious that Garry was not offay with such complications, at that time of day. He was in strife for hiding 4 Doz. Tooheys Blue in the

50 litre esky - which he had packed with ice, in the absence of Plant Engineer/Baggageman, Bill Sheehan.

He did NOT knock the food laden table over, nor try to set fire to the shed - fortunately Club Secretary, Nifty, undertook these feats, personally.

HOWEVER, Jed was fined for wearing unmatched golf hose and not having a regulation collar on his athletic shirt. He played well, came in 3rd. and, for his day's efforts, took home nothing better than Garry Bird.

NEV MEREDITH amassed a mind boggling 25 points to win the Best Front Nine. He was described as 'putting like an outboard motor' on the back nine, when he limped in with a supplementary 12 points.

WAL HILL, perennial Bradman, left that role to Max Peet, on this occasion, and romped in with a magical 36 pointer! He was fined later, at the meeting, for being the only one in his family not in hospital.

PETER GRIMES, who usually manages to scrape up about 37 points off his single figure handicap, arrived at the course with a brand new set of the latest PingZing irons - and scored 32 points, narrowly defeating Garry Bird with 29 points. He was fined, in turn, for the possession of each of the clubs, as well as another for not having a two iron.

THE LIZARDS FAMILY PICNIC, set down for 6th December, was cancelled, due to inclemency - which was just as well, because it rained all day.

TODAY IS BRING A GIFT/RECEIVE A GIFT DAY. Santa, if he does'nt do a Dawson Carroll, will dish them out. Should anyone arrive with nothing up their sleeve but a polluted armpit, they should nip up to Vicki's Golfing Emporium and splurge about \$5.00. Christmas paper and sticky tape are available from the Captain's table in the Shed. Place your gift on the heap in the Shed.

NEXT MONTH should be D.C. Trophy Day.

GOOD GOLFING
