

FLAT OUT LIKE

MARCH 1993

WELCOME TO GARRY BIRD DAY. Garry has been on the Lizards committee since 1987. He kicked off with Peter Grimes in the Chef/Caterer department, where they earned the prestigious title of "Fowl and Grimy". From this position he gravitated to Assistant Handicapper, followed by 2 stints as Club Captain-Handicapper, then President for 91/92. He is currently Immediate Past President and Printer. As Printer he publishes the AGM

Booklets, Flat Out Like, Club Stationery and indeed anything that appears in black and ink. Last month he was up on the dais collecting a donors trophy - this month he IS the donor. Keep up the good work Garry.

ANDY WARNER celebrated his first win since June 1990! His timely improvement placed him in the poll position in the Lindenberg K.O. Comp, which he will certainly be in to win.

VISITOR Peter CHAPMAN, beaten on a countback the previous month, collected zilch prize for his effort and had his handicap diminished by 5 strokes. Instead of spitting the dummy, he came back last month and won the day with a convincing 4 shot lead. Congratulations Peter.

IAN SIMPSON has been nibbling away at the visitors trophies for the past twelve months - most of his success as a runner up.

President JIM SMALL increased the number of visitors on the day to 16, by bringing his son Adam for his first game with the Lizards.

NEV MEREDITH, our ever present Secretary, missed out on the day due to illness. Hope you are on the mend and able to make it this month.

CHRIS. REGENASS, our tallest player and prize winner in November and January, has been transferred to Adelaide, by the stroke of his employers pen. He plans to return for the occasional Lizards during his stay in S.A.

THE LINDENBERG K.O. COMPETITION was launched last month. From the field of 24 members playing on the day, the following 16 qualified, to compete in the event.

A. Warner vs G. Bryce
G. Bird vs D. Gilchrist
T. Della vs J. O'Meara
W. Hill vs A. Beale

J. Small vs G. Warren
D. Dunworth vs D. Whitehead
W. Epps vs C. Mooney
H. McGuinness vs D. Raynor

The first round will halve the field, where upon the T-Lady will probably be making some predictions.
