JUNE 1993

WELCOME to Geoff Warren's Vice-Presidents Day. Father and Son Day and the Grand Final of the Lindenberg. Being the last events on the 92/93 fixture card, it could put the present Committee on Social Service benefits - following the AGM on the 6th. July.

Jim President SMALL is in for a torrid day. He will be competing for the V.P.'s trophy, the Father and Son bash and is one of the two Grand Finalists in the Lindenberg K.O. competition. That a lot of golf to cram into 18 holes.

PRESIDENT'S DAY produced the following results;
LIZARDS 1st Bill Epps 40 Points off 15 Handicap
LIZARDS 2nd Andy Warner 40 Points off 16 Handicap
LIZARDS 3rd Ken Bond 40 Points off 8 Handicap
VISITORS 1st Ian Keeren 35 Points off 36 Handicap
BEST SCRATCH SCORE Ken Bond 31 Points
BEST FRONT NINE Michael Harrison 20 Points off 6 Handicap
BEST BACK NINE Pat Purcell 22 Points off 31 Handicap
NEAREST THE PINS 4th Anthony Beale
8th Jim Small
9th Michael Harrison
LONGEST DRIVE 6th Neil Shackle
BRADMAN Garry Bird 25 points off 22 Handicap on a countback
RAFFLE Ken Bond and Andy Warner

LIFE MEMBER, Bill Epps, must have had prior knowledge of the benefits of Vitamin E to have taken out the Presidents Trophy. Winning by a whisker, on a countback from Andy Warner and Ken Bond, by virtue of a birdie, from off the green, on the 17th. It chalked his first success since July, 1991, and was the lowest winning score for 11 Months!

THE NINE HOLE OLDIES DUET went to Harry Warner, by two from lifer Bill Sheehan. Bill was reported to have said, after the game, that if it had gone for another two holes, Harry would have won by a bigger margin.

THE LINDENBERG SEMI-FINAL results;
Tony Della def. Garry Bird 5 and 4
Jim Small def. The Grizz 2 and 1

The Grizz hit the rails and went around the course like white paint for the first nine, but carded 6 over his handicap in the run home, which was enough for Jim to surpass him in the home straight.

TODAY'S GRAND FINAL between Jim and ^{Tony} is creating more than general interest and should be a great match. Good luck to both contenders.

TODAY is our last chance to improve our standing in the Club Championship, as well the Scratch and Handicap Eclectic competitions.

Michael Morgan is out in front in the Club Championship - with Harry McGuinness and Andy Warner well placed in his slip stream.

Harry McGuinness is doing well in the Handicap Eclectic, however Wal Hill, Chris Mooney and Michael Morgan are within striking distance.

THE WINNERS' of these events will be announced at the AGM and become custodians of the tall silver trophies for 12 months.

LONG DRIVER, Neil Shackle, scored 100 points, out of a 1000, when he supported his weight, by holding the rim of the stormwater gutter in front of the Shed, at last month's prize giving meeting. The President copped the contents of the said reservoir, in mid-speech - on the coldest day for 100 years!

PORT MACQUARIE'S latest acquisition, Nev Meredith, phoned the lizards to advise of his safe arrival and give a quick run on his most recent doings. In cahoots with his stepson, Ray Walsham, they will be starting a social golf club at the Emerald Green, 9 hole par 36, course, to be known as the Frilled Neck Lizards! Nifty works on the course, some weekends, as a "Marshall". The course is owned by Graham Byrce's brother, brother-in-law or some other prelation. If anyone wants to send Neville a fishing line or a bait they can post it to 40 Boronia St., Port Macquarie, or if you desire to hear his melodious, phone 065 811419.

VISITOR, MICHAEL HARRISON, an applicant for membership, was put through the hoops last month and inducted as a Lizard! Congratulations Michael- here's to a long and fruitful association. Michael plays off 6 and has a wealth of knowledge of how to take a golf course apart as well as how to put it back together again.

THE AGM will be conducted at the 'Manly Amateur Fishermans Club' on Tues., 6th July commencing at 7.00 pm. Lance Try, one of the 'founders', twice President and a Life Member has R.S.V.P'd -so be on the lookout for him.

Good Golfing
