FEBRUARY 1994

WELCOME to FOUNDER'S/LIFE MEMBERS' DAY. Leon List founded the Lizards Golf Club in 1946 and will be taking a keen interest in his club's 571st. tournament from his corporate box, on cloud nine. The Life Member donors are Bill Sheehan, Gordon Donald and Bill Epps.

DAN WHITEHEAD, sporting a St. Andrews, Old Course, cap, had his second trip to the pay window, and his first win, since becoming a Lizard in September 1991. Congratulations Dan.

Michael Morgan, Assistant Handicapper, has had two wins and two seconds since joining in April, 1992. Michael, who took to golf like a Lizard to warm rocks, has whittled 10 shots from his first recorded handicap as a visitor. Keep it up Michael.

VISITORS Trevor Easterbrook and Paul Montgomery scooped the pool last November and repeated the double last month - notwithstanding the extra lead in their saddlebags. Well played fellas!

DAVE GILCHRIST played the best nine of the day with a solid 21 Points, and was runner up to whoever it was that was that didn't win the longest drive on the 2nd.

THE GRIZZ, weakened by the shock of a close shave, which left his prickly palaeontological profile as smooth as a baby's dummy, racked up a valiant 23 points over the 18 holes, and was in the right frame of mind to do justice to the Bradman Trophy.

IAN SIMPSON, regular visitor since February 92, with 3 wins and 3 seconds under his belt, had his recent application for membership presented to the members by president Anthony Beale. Following the due deliberation and a brief physical fitness test, Ian was invested with the usual hardware and welcomed to the Lizard ranks. Congratulations Ian.

ON THIS DAY in 1970; Gordon Donald had a 4 over par round which netted him 41 Points off 9 - and won 3rd. prize. The winner, Editor Jim Howe had 49 Points off 44 and John Kennedy amassed 44 Points off 18. Gordon supplemented his winnings with a nearest the pin on the 17th. Them's were the days, me old china!

THE LINDENBERG K.O. COMPETITION qualifying round will be played today, in conjunction with the normal monthly event. The competition will take us through to the final, in June. Should any members be aware of their inability to attend all the Lindenberg matches, due to holidays etc. - please advise the Captain/Handicapper before he makes the cut and arranges the draw. Good luck to all contestants.

NEXT MONTH is Garry Bird Day.

Good Golfing
