GIANT KILLER, Anthony Beale, making presidential hay while the sun shines, scored a rare treble by winning his third monthly event during his term in office -

- * in April he beat Peter Grimes on a countback, despite Peter's round of 1 over the card.

- * last month he rolled Micheal Harrison - notwithstanding Michael's even par round!

The Handicapper could be thinking of promoting Anthony into Bo Derrick's class, by making him a 10.

MICHAEL HARRISON'S "almost unbeatable", par round paid off in the Lindenberg Semi-Final encounter. He defeated Dave Gilchrist 3 and 2.

SEMI-FINALISTS, Tony Della and Michael Morgan, were all square on the 18th tee. Tony birdied the hole for a healthy 3 pointer. Michael, with a handicap advantage of 1 shot up his sleeve, followed suit - dropping his ball into the cup for 2 shots and FOUR points. Wot a finish!

THE LINDENBERG GRAND FINAL, featuring Michael Morgan and Michael Harrison, will be the highlight of the day. Both are formidable players:

MICHAEL MORGAN is current holder of the trophies for Club Championship, Handicap Eclectic and the Christmas Carol event. His handicap in the 25-27 range, affords him more latitude than a Mecartor's projection, in the event of a wayward shot - and he is keen to improve his game.

MICHAEL HARRISON has no room for error - the occasional birdie is worth 3 points; one over par usually nets 1 point. A daunting outlook for us higher handicappers, who live in hope of jaggging a 4 pointer to supplement our twos and threes.

THE BEST of BRITISH to both contenders.
