AUGUST 1994

WELCOME to LE MON/DELLA DAY. Len and Tony have been August donors for the past eight years. A few years back, they were two of the club's low markers and would pull all stops to retain their trophies - with more than average success. Len is not as sprightly these days but enjoys a trip to the driving range and an occasional 10 holes at Mona Vale, in one of the electric golf carts. Tony is as crisp as ever around the course and is not one to waste putts. We wish him well today and send a big "Cherio" to Len.

EPPI/MEREDITH DAY with 19 members and 2 visitors produced the following results:

LIZARDS 1st	Dave Raynor	38 Points off 17 Handicap
LIZARDS 2nd	Andy Warner	35 Points off 16 Handicap
VISITORS 1st	Alan Robertson	33 Points off 20 Handicap
VISITORS 2nd	Paul McClenaham	32 Points off 36 Handicap
BEST FRONT NINE	Garry Bird	20 Points
BEST BACK NINE	Ken Bond	21 Points
NEAREST THE PINS	2nd GRIZZ	second shot
	4th Chris Mooney	
	8th Garry Bird	
LONGEST DRIVE	7th Greg Elks	
BRADMAN	Ray Ritenis	14 Points off 36 Handicap
RAFFLE	Chris Mooney and Max Peet	

DAVE RAYNOR is at it again. He won the day last August with 42 points, was runner up in June to Jim Small - when they won the Father and Son Trophy - and cracked it for the win last month. Well played Grizz, now you can afford to slacken off, to make room for some new faces.

ANDY WARNER made it to the pay window for the first time in seven months - spurned on by his desire to relieve Greg Elks of a bottle of Bourbon, in a side bet.

GARRY BIRD, Bradman in June with 26 Points, came back to form with the best front nine, which included a nearest the pin.

KEN BOND tidied up the back nine with 3 successive birdies.

COUNTRY MEMBER, Greg Elks, on a flying visit from Queensland, had a mixed day. He had the longest drive, putted off 2 greens, suffered 11 fines, lost a bottle of bourbon and looked happy to be heading back north.

ODD INFORMATION gleamed from the 1994 AGM Booklet

Annual attendance was 36 less than the past 4 year average.
The average winning score was 41.3 points.

Dave Gilchrist and Michael Harrison won 3 each of the 10
available long drive competitions.

Anthony Beale won the most nearest the pins. (4)

Seven members attended every game

Non-playing Life Member, Gordon Donald, scored more championship points than 13 of the players.

THE PORT MAQUARIE pilgrimage to Niftyland will be on the Agenda today - so give some thought to your chances of making the touring squad, whilst traversing the course. The jaunt last year was well organised, comfortable, more than enjoyable and well worthy of a replay.

NEXT MONTH is WARNER DAY.

The Treasurer, Postie, advises that due to an increase in green fees a new method of payment will be in practice today. Members and their visitors are requested to provide Gordon with \$10 to cover catering, prizes etc and to then pay their green fees of \$12 on the way to the first tee.
