OCTOBER 1994

WELCOME to LEWIS/GRIMES TRADE DAY MkIV. Our donor, ex-president, craftsman are busy, we hope, popping a few prizes into the pickup, for delivery to todays event, The same donors are adept at winning half the trophies themselves, however, last year Anthony Beale and Jim Small scooped 1st and 2nd.

PETER GRIMES, not to be outdone, shot an albatross on the downhill 14th and took out the best scratch event.

WARNER DAY, in spite of the League Grand Final, attracted 13 members and one visitor. Results as follows:

LIZARDS 1st.	Michael Harrison	37 Points off 5 Handicap
LIZARDS 2nd.	Garry Bird	35 Points off 24 Handicap
VISITORS 1st.	Manfred Wagner	21 Points off 32 Handicap
SCRATCH SCORE	Michael Harrison	32 Points

FEATURE OF THE DAY was a Teams event, played in conjunction with the normal individual Stableford. Each group was issued with one custard coloured TOP-FLITE. Player A played the first hole with the ball, player B played the second etc. The Custard Ball scores were recorded on a separate card. Loss of the Custard Ball spelt disaster for the group.

RESULTS WERE:

1st	Jim Small, Dave Raynor, Bill Epps and Tony Della	33 Points on a countback from
2nd	Garry Bird, Andy Warner, Michael Harrison and Ken Bond	
3rd	Michael Morgan, Ian Simpson and Manfred Wagner	25 Pts

MANFRED did not raise a sweat in his quest for the Visitors Trophy and was subsequently fined for lack of dedication. Part of his prize was a small plastic bag of used Custard Balls.

THE PORT MACQUARIE SHUTTLE is on the pad and counting. Today is our last chance for questions - before we are sealed in.

THE AVALON RSL Golf Club, who proceed us occasionally from the first tee, have invited the Lizards to join them for a round on our home course, on Sunday, on Sunday 11th December - a week prior to Lizards Day. More info. at the meeting today.

JOSHUA BEALE is well into his 6th month and William Sheehan Junior, is into his 6th week. Both have their names on the prospective members list.

***** FIRST GROUP *****

During the last couple of months we have had some problems with the markers going out for the NTP's and the longest drives so, if you are in the first group, try and get it right for the members and visitors that follow. Members please note that you are encouraged to bring visitors to the Lizards day as to enjoy themselves, swell the numbers, and possible provide us with a new member in the future.
