DECEMBER 1994

WELCOME to CHRISTMAS CARROLL DAY. Dawson Carroll, our sole overseas member, is both donor and current holder of the D.C. perpetual trophy.

DAWSON - described in the early days of this annual competition as having as much chance of winning his own trophy as Dwight Davis had of winning the Davis Cup - will not be coming to Australia this Christmas, to defend his well earned trophy.

THE PRESIDENT and Committee wish Dawson and all the Members and Visitors every happiness for the Festive Season.

TODAY we "Bring a Gift - Receive a Gift". Should anyone arrive at Avalon naked handed, they can slip up to Vicki's Pro Shop and splurge a few dollars - Christmas wrapping and adhesive tape is available in the Shed.

PRESIDENT Chris Mooney has struck again - his second monthly win since joining the Club in 1992! Chris burst upon the Lizard scene as a visitor, with 51 points off 36, but the only trophies he has seen since have been the prizes he awarded as Captain/Handicapper and President. Congratulations on your brilliant round of 11 over the card.

TONY DELLA survived a 3 way countback to be runner-up for the second time since February.

VISITOR, Andrew Pagan, had no problems with the subtleties of the Course layout to card 34 off 10.

WAL HILL added a further notch to his golfing repertoire of reducing his handicap to 36, scoring 36 points, breaking 36 points and being closest to the pin, by smashing a tee shot down the second fairway to win the longest drive. Well done Walter!

FINES, among others, were

John O'Meara; a credit fine for bringing a visitor

The President, Club Captain, John O'Meara and Andrew Pagan:
for slow play

John O'Meara; for inviting a slow player

BILL EPPS was fined for transporting his clubs around the course in a motorised golf buggy - an ancient prototype resembling a Franklin's trolley - that operated well down hill, but required considerable physical assistance on the 4th and proved to be a dead weight on the 8th. The robotic roller-coaster has been returned to the technological museum.

AVALON greenkeeper, Chris Reid, has been working overtime to upgrade the course and has created a new third hole, which was declared to be in play two days ago and used for the first time by the Pittwater Rotary Club, on their third annual charity golf day.

NEXT MONTH is Captain-Handicapper Michael Morgan's day

Good Golfing....
