MAY, 1995

WELCOME to PRESIDENT'S DAY and the Semi-Final of the Lindenberg K.O. Competition.

PRESIDENT Chris Mooney burst upon the Lizard scene in January, 1992, as a visitor, with a round of 15 ~~shots~~ points under "beginner's" handicap of 36. He joined the same year; took over the reins as Captain-Handicapper from Anthony Beale in 1993 and was elected President in 1994. The only trophies he saw during his membership were those he presented to his fellow Lizards - although he managed a 44 pointer last November and managed to take one home.

CHRIS fine tuned our second Port Macquarie safari to Neville Land, to the benefit of players attending; he stocked the shelves with Lizard glasses and is in ^{the} final throws of providing a fresh supply of gold Lizard badges.

ALL Presidents are confronted with an assortment of unforeseeable difficulties, which Chris has been mowing down - leaving one stump in the paddock - the unseasonal decline in attendance over the past few months. This virus seems to arise every 20 years. It was near fatal in 1965 and emerged again, to a lesser extent, in 1985 - when the following paragraph appeared in F.O.L.:

ATTENDANCE on the day fell 10 short of our break even figure and, as a result, the Treasurer is suffering from the occasional dehydrated nervous-quit. Let's do ourselves a favour and bring a visitor, or even a wayward member, next month.

THE SAME applies today. Chris has caused letters to be sent to the wayward - with heartening results - and is on the lookout for prospective new members who's outlook is "What can I do for the Lizards, rather than what can the Lizards do for me."

CHRIS' record breaking accession gave the Committee and Members an all too brief sample of his capability and dedication. His skills are definitely recyclable rather than disposable. Well done Press.
