AUGUST 1995

WELCOME to LE MON/DELLA DAY Mk 9 - the second match in the Lizard's 50th year.

LEN LE MON has been an august Donor since 1979 and was joined by Tony Della 9 years ago. They introduced the prize for best scratch score - on the first occasion Tont beat Len, on a countback, with 27 points. Today the donor/s will provide prizes for Lizards 1st and 2nd, best scratch, best front nine and back nine plus nearest the pins on all the par 3's. Thank you Tony and Len.

THE 50th YEAR of REMEMBRANCE TROPHY, presented by the North Manly/Brookvale RSL Sub Branch, in memory of the sufferings and sacrifices made by Australian Service Personnel during WW2, is on show and will be played for today. Our thanks are expressed to Lance Try, President, and the committee of the RSL Sub Branch. At least two of the Lizards here this morning are very well aware of the wartime hardships mentioned above.

EPPS/MERIDETH DAY, with 39 players in contention - thanks to the inaugural visit by the AVALON RSL SOCIAL GOLF CLUB - kicked off the Lizard's 50th year with a hole-in-one on the 3rd. The proud father of the ace being RSL player Graham Kibble! Other results were:

MICHAEL HARRISON had a faultless scratch score round for 35 points, in spite of the well manicured greens, and Anthony Beale paid on the place tote, for the second time in 6 months.

Geoff Cottam and John Van Watsit gave the RSL team score a 77 point boost with their first class efforts.

BOB TIFFEN RSL G.C. President, playing with the Lizard pres., shared the dismal score of 12 points each at the half way mark. Bob geared himself up for the slippery greens with a beer and a hot dog and bounced back with a 20 pointer - completely overshadowing his opponents baker's dozen.

CONGRATULATIONS to the Avalon RSL on their win! A suitable trophy is being "manufactured" by the visitors, with a view to an ongoing competitive alliance with the Lizards.

CHEF-CATERER, IAN SIMPSON, earned Cordon Bleu status for his handling of the multitude on Day 1 of his new office.

CAPT. HANDICAPPER, MICHAEL HARRISON, dealt with the double deck of score cards with aplomb - in keeping with his experience in much larger club competitions.

CHIEF DOBBER, ANDY WARNER'S 'absence on duty' on the day was patched up by budding dobbers - some of the fines were-

Jim Small	Being late for Lizards, and causing his passengers to push his fuel deficient car to the service station.
Steve Smith	obstructing the push by having his feet under the rear tyre.
Eric/RSL	letting his partner, Max, down so badly that after the front nine, Max went home in disgust;
Chris Reid/RSL & Avalon Greepers	making the course harder in an effort to nobble the Lizards, and dragging a house brick around in his buggy to balance his golf clubs! and
John Van Demon	having to take his wife to a Thai restaurant the night before, to pave the way for his attendance at golf!

AT THE CONCLUSION OF the meeting, the President advised that upon the return of THE Lizard, from its current well earned holiday up north, it would no longer be subjected to being locked away from the public view on golf days or other venues, but would take its place of honour amid the festivities, until such time as the president returned it to its normal place of abode - and pointed out, should any other person or persons remove it from its place of honour, that the only white balls they will be following around will be moth balls in a naphthalene factory - in Siberia.

NEXT MONTH is WARNER DAY! See you there and keep an eye out for a friendly visitor.

Good Golfing.....Bill Epps
