SEPTEMBER 1995

WELCOME to WARNER DAY Mk7., and the third match in the Lizards 50th year.

HARRY and ANDY WARNER are the only father and son team to have been Lizard presidents - Harry in 1986 and Andy in 1989. Harry has retired from the rigors of Royal Avalon, but has us high on his list of happier memories. The ever present Andy is hitting the ball better every month, regularly appears in the metropolitan papers and, in 1992, was awarded a rare double credit fine for withdrawing from the suicidal City to Surf Run - just to play on his favorite course and hand his donors trophy to John O'Meara! Our thanks to both for their ongoing efforts.

LE MON/DELLA DAY, with 16 members and 5 visitors and a smorgasboard of donor prizes, produced the following results:

LIZARDS 1st	Michael Harrison	37 Points off 5 Handicap
LIZARDS 2nd	Garry Bird	35 Points off 25 Handicap
VISITORS 1st	Manfred Wagner	34 Points off 29 Handicap
VISITORS 2nd	Nigel Fairhurst	31 Points off 13 Handicap
BEST SCRATCH SCORE	Peter Grimes	
BEST FRONT NINE	Tony Della	20 Points off 11 Handicap
BEST BACK NINE	Dave Dunworth	20 Points off 26 Handicap
NEAREST the PINS	1st Jim Small	10th Michael Harrison
	3rd Tony Della	12th Garry Bird
	4th Nigel Fairhurst	13th Manfred Wagner
	5th Anthony Beale	14th Anthony Beale
	9th Michael Harrison	18th Steve Smith
LONGEST DRIVE	18- Handicap Michael Harrison	8th
	19+ Handicap John O'Meara	6th
BRADMAN	Garry 'stretch' Castle	17 Points off 40 Handicap

MICHAEL HARRISON, suffering a 17% reduction in his handicap from the previous month, managed to scramble into first place with a 37 pointer. He enjoyed a feed of the minor pickings with his length and accuracy on the 6th, 9th and 10th, to round off the day.

DONOR TONY DELLA led the field for the first nine with a neat 20 pointer - which included a nearest the pin - and was pleased with the overall outcome of the day. He would have appreciated the extra space and visibility from his donormobile for the trip home.

MANFRED made the most of his last round as a visitor prior to being inducted into the Lizard fraternity. His first mention in the annals was on an historic day in December, 1992, when Nifty Neville won with 44 off 35 and runner up Bill Epps had 40 off 15 - Manfred won the first of his visitors trophies. Congratulations Manfred on your win and Lizard membership.

FINES, some of them were:

Peter Grimes	bringing the current issue of the Sun - Herald to show he had won at Balgowlah and taking a preferred lie from a ditch and placing the ball on the fairway.
Ian Simpson	in a complete break from Lizards tradition did clean the Weber and failed to provide apple sauce with the roast pork.
Bill Sheehan	providing round buns instead of long ones for the hot dogs.
Chris Mooney	using the new tablecloth to unscrew the top off his stubby.
Stretch	slogging Tony Della in the back with a projectile launched from his seven iron. trisecting his PGF Slammer, by slamming it into a tree and scoring a three pointer on the 18th and still being Bradman on the day.

THE LIZARD returned to Avalon from it's tropical tour in an express delivery, red and yellow, body bag - complete with holiday photos - and was keen to open the meeting by sampling a Sydney brew. The Lizard expects to remain in his position of honour in the Shed each month, till such time as the President returns him to his den.

NEXT MONTH is - a good day to bring a visitor or two!

GOOD GOLFING.....Bill Epps
