OCTOBER 1995

WELCOME to THE PETER GRIMES TRADE DAY and the fourth match in the Lizards 50th year.

PETER, possibly the Lizards most prolific winner of the Club Championship, joined in May 86', was President in 1990 and has been a donor since the historic day in January 88' when the Grimes/Bird Day was washed out - complete with crossed flags on the first green. Cyclonic conditions in the 'Dreamtime' did cancel the hit at Palm Beach - but on that occasion Tom Beer played a solo 9 holes, to show the Lizard spirit. We are looking forward to seeing our donor in action on the course today.

WARNER DAY saw 10 members and no visitors take on the drought busting inclemency with the following results:

LIZARDS 1st	Bill Epps	40 Points off 16
LIZARDS 2nd	Steve Smith	39 Points off 23
LIZARDS 3rd	Ian Simpson	39 Points off 25

BEST FRONT NINE	Jim Small	21 Points off 16
BEST BACK NINE	Chris Mooney	19 Points off 17

NEAREST THE PINS	5th	Steve Smith
	2nd on the 7th	Andy Warner
LONGEST DRIVES 18-	2nd	Michael Harrison
	19+ 7th	Michael Morgan

BRADMAN Wal Hill 29 Points off 35
THE CUSTARD BALL EVENT Garry Bird, Jim Small and Steve Smith 37 Points
DIGGERS TROPHY Michael Harrison 110 Points
RAFFLE Bill Sheehan, Chris Mooney and Wal Hill

THE SLOW TRACK had no dampening effect on the scoring rate - the field averaged 34.5 stableford points, with the bradman scoring a record breaking 29 points.

BILL EPPS emerged like a hibernating frog to celebrate his first win - or place - for two and a half years!

THE THREE S's Smith, Simpson and Small, slid in, one shot short of success, with 39 pointers.

THE INNOVATIVE Custard Ball Teams Event went to the Steve Smith, Jim Small and Garry Bird trio.

CONGRATULATIONS to Michael Harrison - the first to have his name inscribed on the Diggers Rememberance Trophy. Michael averaged 36.6 points over the 3 rounds.

THE WEBER was used at the midway refuge to dry the score cards, but by the 16th the only way to record results was to perforate the pulpy paste-board with the pencil point - once for one over par, twice for par etc. The Captain-Handicapper did a commendable job of deciphering the soaked software.

THE LIST of Lizard names and addresses, on view in the SHED, is being updated. Please make any necessary amendments.

THE ANNUAL Port Macquarie golfing safari to Neville-land, scheduled for the weekend 4-5 November, is up and running. Final details will be discussed at the meeting this afternoon.

Good Golfing
