APRIL 1996

WELCOME to SMALL/RAYNER DAY; the QUARTER FINALS of the LINDENBERG K.O. COMP., and the 10th match in the Lizards 50th year.

LAST MONTH JIM SMALL and the GRIZZ put their donors day on hold to make way for NIEL SHACKLE to bring his day forward, due to Niel's 'out of town' commitment today. Thanks fellers.

RAFFLE Won by Gordon Donald - promoter and ticket seller - after a long search for his ticket.

MICHAEL MORGAN and ANDY WARNER both carded 43 big ones in their quest for the Lindenberg - which placed them 1st and 2nd past the post in the Neil Shackle Stakes. Good golf fellers!

SHAUNE RAYNER, playing off 36, had no trouble in taking out the Visitors Trophy.

WAL HILL leaned into his tee shot on the 7th and, for the first time in his golfing career, had the pleasure of moving the long drive marker to the winning position! Congratulations Wal.

FINES, some were:

John O'Meara arriving, on St. Patrick's Day, in a cloud of steam when he backed his exhaust pipe into the soft bank - then, on moving forward, did jam his vehicle causing a complete re-organisation of the parking area to rescue his car. If St. Patrick had been alive, he would have turned in his grave.

Garry Bird wearing his Lizards shirt inside out and playing golf the same way.

Neil Shackle stealing the Chief Dobbers putter, causing him to sink a putt with a 3 iron.

Chief Dobber 'Credit Fine' for being a brilliant putter with any club in the bag.

Grizz lobbing on the 4th green and 4 putting for one point, and lobbing on the 5th green and 5 putting for a wipe

Michael Morgan having a 5 pointer on the 375m, 17th, and scoring 26 points on the back nine.

Jim Small complaining about the absence of the Lindenberg draw, after bumping his head on it, as he walked into the shed, and for his outstanding entry in the poofter sox award.

HAVING studied the form, who do you think will win?

With this thought in mind we asked the Tea Lady, who is known to dabble in the occult, and other matters beyond the range of ordinary knowledge, with the aid of the crystal balled, laptop, abacus,

THE DEVICE deflected the ambiguous question, via the cyber pass and merely spat out 13 13 and 13 8 - deemed to be the initials of the two finalists. Now we have till June to see whether the gismo has any merit.

JIM and THE GRIZZ are promoting a Golf Day at the Mangrove Mountain Memorial Golf Club on Sun 5th May - the Sunday before Mothers Day. The 5363m par 70 course is Central Mangrove's answer to the Augusta layout. It should be a memorable golf experience. You can make the cut, TODAY, by adding your name and phone number/s to the list in the shed - be in it!

NEXT MONTH is PRESIDENTS DAY and the SEMI-FINALS of the LINDENBERG
